On the exigency for dispensation of Papal Encyclical to the support of the two United Nations' international indictments against the governments of Austria and Germany for the dissolution of the AustroGerm's rogue regimes upon the vote of the nations by the United Nations' General Assembly at large, setting the AustroGerm's nations and the remaining AustroGerm's territories under the suzerainty of United Nations, reigned in five zones under the five permanent members of U. N. Security Council by five vicegerents ("Gauleiter")

If any man has an ear, let him hear.
He that leadeth into slavery shall go into slavery; he that killeth with the sword must be killed with the sword.
Here is the patience and the faith of the saints.

Holy New Testament, Book of Revelation, chapter 13,
verses 9 to 11, according to King James Bible (1604 to 1611)

Hat jemand Ohren, der höre!
So jemand in die Sklaverei führt, der wird in die Sklaverei gehen; so jemand mit dem Schwert tötet, der muß mit dem Schwert getötet werden. Hier ist Geduld und Glaube der Heiligen.

Offenbarung 13, 9-11 nach Martin Luther Bibel von 1545

Greetings to Your Holiness and to the saints of Lord in Holy See in the name of our God and Savior Jesus Christ, Son of Almighty God the Father, the very God of our father Abraham.

The present open letter to Your Holiness in Your Holy capacity as the pastoral provost of the greatest Christian denomination, equally to all other Christian denominations around the globe in continue, pertains to the call out onto all the Western Culture and Western Civilization for the cause of great millions of minorities, who are staying captive in the muzzle of the AustroGerm's barbarian regimes and the broaden en mass of their dastardly populace since almost seven decades. The indigenous idiosyncrasy of these two pathological killer regimes, their pestiferous policies, racially anti-democratic tenets, tyrannical life style, illicit economy, inflicting finances etc. at large, can be called with propriety by name; the modern day form of tyranny and slavery.

Therefore, please visit this open letter as my Christian testimony that represents the veracity to Your Holiness at a glance, and will be reaffirmed by millions of other witnesses soon. The present open letter to Your Holiness is specifically prepared in a very concise short message today only. This open letter stands on behalf and in the authority of this great defenseless people of minority making a margin of 20% and more of the whole AustroGerm's population.

Therefore, with this open letter Your Holiness are invited to participate and support by a Papal Encyclical for the cause of this people to the ensuing two international indictments to the two United Nations' courts of justice against these ever-known uncultivable uncivilisable rogue AustroGerm's regimes to come next. Holocaust Today is very confident that Your Holiness, the international courts of justice, and the entire world will be convinced of the AustroGerm's incapacity to enculturation, socialization and civilization, which is caused and driven by the AustroGerm's ethos through their indelible predisposition. For this reason in this letter, and much more comprehensive in the indictments to come, we present to Your Holiness just a few roots, down to the DNA sequence of the AustroGerm's abhorrent idiosyncrasy, which have been always the integral motive of AustroGerm's hostility against the Western Civilization since the ancient time to this day. The same ignoble AustroGerm's roots are all also causative to the situation of the millions minorities today.

Outlines of the indictments, wit of indictment, and the AustroGerm's Perpetual Solution

For the Papal Encyclical, we can give Your Holiness some indications that might present the outlines of the indictments for perusal to Your Holiness, currently under preparation since November 2015. Please consider these excerpts as portions of various twelve sections of the indictments, including the supplementary section for violations against the Christianity. In this regard, Your Holiness will also see many calamitous inflictions to the whole Western Civilization, which had been indeed preventable, if the AustroGerm's regimes and populace had been dealt with correct justice measures and were hold on account by operation of nemesis ("Strafvollstreckung; Bestrafung") in commensurable extent to their AustroGerm's wild nature. Holocaust Today presents substantive facts that a new imbecile Political Experiment onto these AustroGerms for the fifth time again v.i. will fail for the fifth time. To the wit, the Holocaust Today international litigations and the call out to the vote of nations is about to hand down the just sentences and yank these ever unfit regimes out of the Western Civilization forever, v.i. leading to the exigencies for the execution of AustroGerm's Special Treatment and the AuatroGerm's Perpetual Solution.

However, we frankly think to have broached up substantive volume that might suffice Your Holiness criteria for the issuance of Papal Encyclical and corroborates our request for Your Holiness active supports to the millions of minorities.

We hereby officially apprise Your Holiness of the uttermost barbarian lowlife of the AustroGerm's regimes and her elements in amass that is now savaging at ca. 20 to 25 millions of people of minority from all the globe's nations and ethnicities. They are looted in their life, lifetime, security, merit, assets, Devine Rights, human dignity, basic human rights, civil rights, liberty, exercise of their profession, religions, culture, customary, justice and other vocations which are on the apparent, and also on clandestine omnivorous wild operation of the AustroGerm's dystopian regimes of terror post November 1918, more specifically since ca. 1955 to this day and time.

Equally, we notify Your Holiness officially that the nefarious AustroGerm's Pariah ("Übelwesen") are keeping incessantly on their treasonous subsistence against the Western Allies, NATO, G7, G20, EU, likewise against the civility and democratic virtues directed against all other nations in general, at continuous institutional operation since the day of August 27, 1791 onwards. In this regards, the two international litigations expand to the national phase of litigations in all individual nations with their respective Council of National Federal Judges and

shall be represent their nationals by their presiding Federal Judge, who shall be

entitled to cast the vote of her State in the vote of United Nations' General Assembly at large be for the perpetual fate of the AustroGerm's regimes.

The present testimony in the name of our Lord Jesus Christ for Your Holiness' perusal is also to notify Your Holiness in all due veracity of the pernicious stances of the AustroGerm's regimes and the broaden majority of their populace that encompasses, but is not limited, to the AustroGerm's self-styled versions of ethos (i.e. customary, moral), mentality, culture, social life style, business practices in domestic and international economy and finances, usurpation and embezzlement of other people and nations' merit, wealth and assets, as well as perfidious actions in NATO military alliance, contempt against the honor of fallen heroes and veterans for upholding the Western Civilization, surreptitious war against capitalism, subversive anti-democracy undertakings in politics, subterranean infiltration of their elements into the Western Culture to wedge political faction and schism in their society, deliberate nonfeasance and misfeasance in laws, premeditated breaches and violations to their international and national commitments, specifically all institutional subversions against the rise of Modern Civilization in continental Europe post August 27, 1791 to present. Nothing is taking place haphazardly; nothing is a one off since. Since this day many treaties, accords, agreements had been facilitated, how the other European nations and Western Allies could tolerate ("dulden") these populace, yet then all have failed to produce the results.

The terms of noble Western Civilization has been always stipulated in various treaties, accords and agreements to the partners in the politics, economy, finances, military defense, and other mandatory obligations, more specifically post May 1945 to the four Allied Powers, NATO, by then in the European Union and other international commitments in G7 and G20 alike. The war of AustroGerms since May 1945 against the Western Civilization is carried out in the field of politics with stealthy attacks by their clandestine operatives and proxy states, more often than not by manipulative subversions through E.U., subterranean vicious in economy, perverse practices in finance including monetary and gold reserve. These breaches stretch throughout all the strata of the AustroGerm's fixity, e.g. government, electoral system, congresses, Departments (Ministerien) -specifically Justice Department, Department of Interior- deliberate oppression of minorities rights, dispensation of unjust and/or disproportional verdicts, prolongation of minorities' litigations over many years unnecessarily even in legally clear cut cases, granting impunity to AustroGerm's crimes and frauds against the minorities and other uncivilized practices in their judicious apparatus, literally the hot bed of nocent AustroGerMitis Bacillus that has beset everywhere, yet at most the thugs in the Gestapo Department of Interior.

The litigations comprise also treasonous actions of the AustroGerm's regimes with their government's agencies, organization linked to the United Nations' Organizations and her agencies. The Holocaust Today's litigations cull out great number of AustroGerm's criminal individuals before the justice -marshaled in the Schädling List (pronounced ['ʃɛ:tlɪŋ]; List of Daredevils; Vermin List); who enriched and benefitted their family members and other beneficiaries at the expense of minorities' family members. Their beneficiaries are carried out on the Schändler List (pronounced ['ʃɛndl-er]; meaning List of Deplorables; List of Ignominables). The Schädling List includes also every other AustroGerm's recreants, who have betrayed or manipulated others with unparalleled intrigues various kinds domestically and internationally.

We recall in this regard that we have been commanded in a myriad of commendations to name the events, objects, and perpetrators by the token of their trait and character. Notwithstanding, that the dispensation of euphemism unto the AuatroGerm's criminals, murderers, outlaws, and fraudulent elements disserves as much as less to adherence to our commandments as it serves to the position of hypocrisy and sycophancy. Upon this sublime proposition, Holocaust

Today names perpetrators by the token of their character, and implies the AustroGerm's criminal elements, agents, their abettors, collaborators, claque of their lobbyists regardless individuals, organizations, political parties or other rogue states supporting them in any way, whatsoever. In simple term, whoever mollify the biological AustroGerm's creatures from dispensing euphonic verbiage, titles to the political, economical, financial support (except the AustroGerm's Guardian States, bounded by liabilities and warranties for both, the AustroGerms and their own) performs active and tacit complicity to AustroGerm's hanging offenders, criminals, thus these abettors will be subjected for legal prosecution internationally and nationally too.

The Schädling List implies the AustroGerm's mastermind chancellors, abettor secretaries, successors of Dr. Josef Göbbels in the present day AustroGerm's Propaganda Machinery, the today's Chief Strategists, all culprit for mass-manipulation, mass-fooling propaganda, mass-thrilling stratagems both domestically and internationally. The animal justices, federal and state outlaw judges, thug prosecutors, scaremonger law enforcement henchmen, whoever is protecting, maintaining and advance the agenda of tyranny in the AustroGerm's rogue regimes at the expense of minorities and others is taken on now, this by the token of their nefarious character without appeasement for the fifth time. These AustroGerm's elements of their barbarian regimes are referred to as the henchmen which are culprit on crimes and felony from the Chancellor down to local law enforcement officers individually, who ever conceived of systemic perverse unjust, participated in the subterranean criminal actions, granted impunity to AustroGerm's murderers, criminals and felons etc. in whatsoever extent and status or whoever runs her or his lavish lifestyle at the costs of minorities' merit, assets and whoever functions against the minorities in any and every way including their ancestors and posterity.

The indictments comprise also violations and institutional omissions down to the level of educational system in both school curriculum and universities, like exercise of free press and publications, vicious inflictions to the consuetude of democracy, free market in economy and finances, capitalism, dispensations in public amenable information like books, dictionaries, encyclopedia and even public amenable German translations of Wikipedia, with the intentional aim to deprive the population from the truth and facts in unparalleled subtle sinister ways and manners unprecedented in the comity of all irenic democratic nations.

Your Holiness are informed openly today, that these AustroGerm's malicious actions include also the deliberate tampering of the Holy Bible by dissemination of manipulative translated versions of the Holy Bible in the Old Testament as well as in the New Testament as are exemplified in few points exemplary to Your Holiness below.

Present day barbarism in institutional AustroGerm's regimes and populace at large

To express the actual situation just in a plain overboard message, we share it to Your Holiness officially and publicly that the dogs and cats are enjoying more rights and respect in the cultured and civilized western nations and countries than the multitude millions of minorities from all other ethnicities in the present day AustroGerm's dystopian territory v.i. for more precise elaboration in this stance in terms of numbers and points of reference.

Your Holiness is informed in the present letter, though only in very compendious way, some present day prevailing AustroGerm's barbarism now. Your Holiness will be seeing the full extent in the public amenable content of the litigations in great detail and number of cases later. With respect to the Holocaust Today's precept to veracity, the present open letter

testifies to Your Holiness (and the High Clergy of other Christian denominations, as well as High Clergy of other two Abrahamic monotheistic religions Jews and Muslims) that at present day's lifestyle of these two ever barbarian regimes with their nefarious populace at large imposes undemocratic uncivil laws and doctrines unto the minorities systemically today. Nothing is a haphazard, for instance, the doctrines of the Nazi animal regime and its ragtag elements is explicitly grandfathered from the behind the scene unto the minorities, like these four examples:

- i. The AustroGerm's regimes and nations extortionate de facto 23 out of 25 Nazi Party Points of February 24, 1920 unto the minorities today, while one can be deemed as in part imposed, and the last one is superseded in the course of time
- ii. Likewise, other uncivilized Nazi racial doctrine of Law for the Restoration of the Professional Civil Service April 07, 1933 unto minorities today
- iii. The Aryan Paragraph of 1882, then stipulated under the Nazi Nuremberg Laws is on exercise in full effect upon minorities today
- iv. Outliving the Blood and Soil and other racially motivated policies onto the minorities today.

Although these policies had been enacted and exercised against the Jewish minority originally, the minorities are targeted by these AustroGerm's uncivilized doctrines mostly because of the same causative reasons like satisfying their violent sociopathic and rabid psychopathic dispositions (v.i. for elaboration to AustroGerMitis Disorders caused by AustroGerMitis Bacillus), venting out their enmity in cultural and intellectual jealousy, driving their parasitic Germanic Romanticism ethos, which is all palpable at the broaden part of their populace ("die bereite Masse Deutsch-Österreichischer Menschenwesen"), all in furtherance to other deficiencies and defects as well intellectual and cultural jealousy.

Root analysis of AustroGerm's populace at large

The root analysis of AustroGerm's contumacious incapacity to assimilate and to integrate to the Western Culture and Western Civilization can be dissected primarily in three epochs, all causative for international disasters as well the ordeal of the minorities today, i.e.

- I. from the ancient Roman Empire's time on record over to the pivotal Pillnitzer Declaration of August 27, 1791, yet to the coronation of Kaiser Wilhelm II on June 15, 1888
- II. From June 15, 1888 to the defeat of Nazism on May 07, 1945
- III. From May 08, 1945 to the presence

The de-nazification and promotion of democracy according to the guidelines to the Western Civilization were only two of many other sections in the AustroGerm's treaties post May 1945 to this day. Your Holiness will be surprised how many provisions and stipulations have been disrespected by these two outlaw nations. By the observation of these Nazi's laws from behind the scene, minorities are curbed off from their God given talents and vocations; they

are marginalized, pauperized and disenfranchised methodically by these ever-known animals. The higher and better minorities are talented, the more they are attacked from AustroGerm's personality disorders AustroGerMania (the comorbidity of national megalomania, paranoia and sadism, v.i.). Great number of academia with proven competence and acumen, many with *suma* and *manga cum laude* amid minorities are driving cabs, while the cab drivers and incompetent AustroGerm's creatures rise to the positions in economy, finances, politics etc., e.g. the two-term Austrian cab-driver and pathological liar ex-Chancellor Werner Faymann of Austria and the two term Secretary of State in Germany, Joschka Fischer, either one with no remarkable achievements in the tenure. Are these sort of biological-pestiferous human beings, who disrespect other nations' human dignity since 227 years repeatedly, to be ever regarded with human dignity? Are this heap of biological Bacillus who disdain the Western Civilization, democracy and free market to be ever respectable and be ever greeted on the world's economy and finances at all?

Therefore, Your Holiness is respectfully invited with Your Holiness' erudite insights to accord to the responsibility of Abrahamitic Western Civilization and to support actively the two international indictments and contribute to the dissolution of these barbarian regimes. It will be dilettantism to pass on a mere letter "Mit brennender Sorge" (with burning concern), then sit back in complacency again. We uphold justly that every appeasement or persuasion of every policy of detente with these AustroGerm's Bacillus is a blatant conspiracy with enemies of the Western Civilization.

The tyrannical barbarian lowlife of these AustroGerm's biological life beings today ("biologische Lebewesen") implies operation of stratagems in mass-manipulative media outlets, mass psychology, mass sociology, mass-beguiling, mass manipulation by various other methods of AustroGerm's pernicious propaganda machinery, inciting Stockholm Syndrome onto the victim minorities, as well utilizing forensic criminology to cover up and grant impunity to the AustroGerm's murders and criminals, as yet other interdict subtle measure for subjugation of multiple millions to their omnivorous advantage, likewise taxing systemic methodical mass manipulations in various other ways, mostly in multi-faceted manner, v.i. for Inglorious Bastards. To name to Your Holiness just a few noteworthy examples on the run today, we indicate herewith e.g. the use of corruption, bribery, widespread of lies, myths, ruses, misinformation, engendering alternative facts, fabrication of pseudoscientific reports in their propaganda, tampering and forge of statistical statutory statistics, data, e.g. number of living minorities in the present day AustroGerm's territory, preposterous reports for racial supremacy, orchestrating big scenes for Holocaust denial (i.e. the Jewish Genocide because the AustroGerms cover up the other seven genocides rigorously in the media institutionally), instilling intentional mass-confusion, while presenting themselves to others in uttermost salacious sycophancy to sell themselves for more as their fathers and mothers did sell themselves for more in the train stations and downtowns successfully.

These AustroGerm's tradition by nature is termed on purpose as the x-ray pattern of AustroGerm's national mindset ("das Röntgenbild der wahren AustroGerm's Wesensart") because this is one of the most salient DNA mesh of the AustroGerms mental stance, which is persuasive throughout all the ages and generations, since August 27, 1791, more specifically since June 15, 1888 as of the coronation of Mr. Popinjay Kaiser Wilhelm II, then Mr. Popinjay Adolf Hitler, by then throughout all the regimes since 1945 to the present. The point to the reference Inglorious Bastards interlinks to the AustroGerm's proclivity in mass, associated to the male and female prostitutes before WW I, in the interwar period, then post WW II, started utmost few years after the Marshall Plan effected; the very famed Train Station Boys and Train Station Wives ("Bahnhofjungen und Bahnhofweiber"), more commonly known

as “die Billigen” (the cheapies), although they were fanned out in all parts of the cities and villages in Austria and Germany, “organizing” their life upon, a connotation to maintaining the life. The multitude of thousands of the cheapies of 1888 to 1918, had been grown already to hundreds of thousands during the interwar period, by then outgrown as the roll model in the AustroGerm’s mindset and culture reshaping the notion of multiple millions for nearly 1950ies to the present. The title of the movie Inglorious Bastards was chosen in connection to this portion of the AustroGerm’s populace.

These Inglorious Bastards were, who begotten, spawned off and raised (“hergezeugt, abgeworfen und dahergezüchtet”) bastards in mass and bequeathed their dastardly lifestyle to their offspring and later insinuated that to the broaden part of today’s AustroGerm’s populace all over the places today. The mindset of those bastards makes up the notion what these zombies entertaining in their heads today. The movie’s title Inglorious Bastards had been chosen correctly in connotation to these sort of biological life beings and applies to the fatten amass of their populace to this hour. In the turn facet, the AustroGerms inoculated the mindset of their populace with yet another lie, wherein they wrought out a redefined version of the term “bastard” in accordance to plethora of other lies, all in an attempt to inebriate themselves with auto-suggestive compulsions for racial supremacy and other endemic personality deficiencies and defects, all collectively dispositive to their identity crises. Other AustroGerm’s consummated traditions and craftsmanship for labeling other nations and individuals like by their paradigms for national and racial profiling of others had been wrought out as well, these all subtly in an attempt to detract other people’s attention from their own dispositions and by the same move, to conceal their own defects, some kind of known transference. These will be presented to Your Holiness in just four vivid examples of today’s time, before the International Inquiry Council of Psychologists and Sociologists furnish their findings to the two international courts. Out of this omnipresent vacuity in the AustroGerm’s spinal, they redefined themselves a new version for the term bastard and dubbed it as a child born out of parents of two different races, ethnicities or nations. This is the salacious version, the AustroGerm’s populace bears in the mindset today and this is what the German dictionary reads of in today’s publications.

With consideration of the transmogrified mental stand of this dastardly AustroGerm’s populace in amass, this is the point of perch how they look at the present and predecessors of American Presidents, their family, and at all the advanced cultured nations who preserve and observe the principals of the Western Civilization, like the one-nation formation and democracy etc. This is also the same perch how they look at to my children who bear my last name and in the same vein how they look at Your Holiness with Your Holiness Italian last name while born in Argentina; these all regardless how they present themselves in their wanton conman-ship when it is expedient to showboard so.

The Middle Europe had been Christianized not long after the Roman Empire Constantine issued the Edict of Milan in 331 AD and enshrined the Judo-Christian principals into the Roman Empire and followed suit to the Greek and Persian Empire to advance the Western Civilization.

For more than 16 centuries ago, the Germanic tribes were Christianized. How many more centuries do Your Holiness reckon, it will take these AustroGerms creatures to evolve congenial to the Western Culture and grow in to the maturities of the Western Civilization until they can assimilate themselves to one of our sublime precept that every mankind is a child of God, endowed with the same certain inalienable rights and dignity as Jesus Christ bears. This inalienable precept has always been respected in the cultured nations; first stipulated in the Abrahamic Old Covenant 3,700 years ago, then in the New Covenant. This precept has always been enshrined in the Western Civilization since many millennia over the Seven

Laws pronounced by Noah, later Mosaic Laws, implemented to some degree in the great state with large nation by the decree of Cyrus Cylinder in the Persian first Empire nearly 2,600 years ago, followed by the policies, laws and principals of the Greek Empire. Either of the latter two empires reigned over territories, at time on par with Europe's territory, over great number of populations, ethnicities, cultures, customary, religion, languages, and yet governed one nation under God, in prosperity and at the hegemony; yet with no history of slavery, nor racial persecution, nor genocide on the record. These had been observed by the Roman Empire via constitution, senate, and principals; over to the Magna Carta in Great Britain of June 15, 1215; to the Constitution of the Republic of San Marino on October 08, 1600; by then with the fruition of the Age of Enlightenment in the Corsican Republic of 1755; then implemented in the first nation with large population by the United States' Declaration of Independence of July 04, 1776 and shortly thereafter in the United States' Constitution of September 28, 1778; by then in the Polish Lithuanian Constitution of May 03, 1791; then the French Constitution of August 27, 1789; by then in all other following cultured nations' constitution to this day. To the contrary to all these milestones in civilization and throughout all these times, the AustroGerm's regimes and populace stand at war against the Western Culture and Western Civilization since the day of August 27, 1791 ceaselessly. Since the day of Pillnitzer Declaration on these AustroGerm's rogue regimes are steadfast going to cement their nefarious Alternative Kulture and their tyrannical Alternative Zivilisation in order to drive their parasitic lifestyle at the costs of others.

All these nations and their respective form of governance, intentionally numbered above, has strived continuously to observe the Canon Laws and Common Wealth Laws to the good of their own and other nations. By doing so, they could advance to more perfect society and secure prosperity over their reign of thousands of years. These all could uphold the hegemony in every level because of the adherence to Divine Law, operation of the Rule of Law, execution of justice by operation of nemesis and could reign successfully and indivisibly by upholding the formation of one-nation through many vicissitudes of times and ages unto this present day.

Whenever they had been derelict in vigilance or ran astray from the mainline, the consequences were inexorable, often has ensued inevitably, more often than not with devastating horrible prices to pay for. On the same vein the minorities under the barbarian AustroGerm's regimes are paying the high prices for the overt misfeasance, grave omissions and other derelictions of the Allied Powers post WW II to this very day.

We have been commanded since the ancient age how is to deal with murderers, criminals, fraudulent elements, pathological violators clearly and without ambiguity, and this towards individuals, organizations and rogue states equally. We have never been commanded to preach the Gospel unto the pigs, nor to grant forgiveness unto the sociopaths, psychopaths, pathological liars, ruse and myths purveyors, usurpaths, recidivists driven by criminal genre of their mindset time and times again, without mere sincere repentance. I recall with due propriety, Jesus Christ our God, had never ever acted in criminal, fraudulent nor any unprincipled political nor business practices, nor ever had participated with, nor accepted bribery, nor rendered conspiracy to infidels and fomented treason, nor accomplished collaboration with shysters, nor practiced conman ship, nor lobbied for such recreates, nor ceded on to the outlaws, nor gave in nor praised for rogue regimes even if it might be expedient, nor tolerated racial or ethnical discrimination in favor of malpractice in business operation of criminals, these all, no matter how the situation was seemingly beneficial or appeared to do so by convenience. All these milestones have been taken place before the syndicate of the AustroGerm's regime on the

grounds of the Declaration of Pillnitzer August 27, 1791. From the day of August

27, 1791, namely 227 years ago to present-time activities of the Hapsburg Group, these egregious AustroGerm's zombies are combating ceaselessly against the Western Culture and are at war against the Western Civilization at the institutional level by their barbarian vices various in kind to this day and hour Your Holiness are receiving this testimony. For, due to the AustroGerm's insidious genre, the calls for the Western Culture of Samuel von Puffendorf, Bertha von Suttner, Carl von Ossietzky, Sibling Scholl, Dietrich Bonhöffer, Helmut James von Moltke, Edith Stein and tens of others had not been echoed in public properly like in places, memorials, school curriculum and other state owned venues. Many of these great people are still unknown to the AustroGerms till today.

I asseverate with candor, yet this to the stark contrary of the AustroGerm's popular mental milieu, that not a single one of Abraham's descendants has ever suffered from identity crises, social identity crises, and lack of character in personality from all the nations, races, genders and ethnicities from the east to west and from the north to south of the globe throughout of nearly 3,700 years of time. I also asseverate that not a single one of Abraham's descendents has been ever urged to inoculate herself or himself with bizarre attachments, delusional believes, lies, hoaxes, ruses, myths and other compulsions to incite to herself or himself nor to others racial supremacy, promoted racially motivated segregation to elude her or his own personality, nor instilled herself or himself with other auto-suggestive compulsions by harnessing extraneous tenets like the Blood and Soil, Aryan Paragraph, and racially characterization of a superior race in order to fill up their own vacuity, cover up their deficiencies and defects in personality and character, nor their ever pumped up themselves with deplorable pride by use of tangible or incorporeal objects and imaginations, by ad hominem appearance like the color of the hair or eyes. Though, notwithstanding that Abraham's descendants constitute always a great portion of world's population and stand at the larger half of the world's population today, yet with many other to come as much as the stars in the heaven can be counted.

I am also sanguine that not a single one of Abraham's descendants over the period of 3,700 years had ever suffered from identity crises like being descendent from Aldebaran (a stellar constellation in 65 light-years distance from the sun), or dubbing themselves as being from the Aryan race (the natives and the overwhelming race of Persian Empire's citizens) as these AustroGerm's sort of human beings have exercised it traditionally. I uphold with absolute certainty too that not a single one of Abraham's descendants were, nor will ever be claimant from being stemmed from the Hallow Earth as these AustroGerm's populace are claimant for pridly in large to this day. The AustroGerm's myth of being stemming from the Hallow Earth is more pointedly referred to in the indictments as the AustroGerm's Hole in Europe, rather in the entire Western Civilization. The AustroGerm's Hallow Earth is the very same realm we refer to as Jihenna in Hebrew, Abyss in Greek, Jehannam in Arabic and Farsi, commonly known to us as the hell or the realm of demons or devil's dwelling.

I frankly indicate that there were not the Allied Powers, nor the other adjacent cultured European nations in the proxy of the AustroGerm's nations, nor the residing legal minorities were, who have filled up the emptiness of AustroGerm's skull and the vacuity of the AustroGerm's spinal with innumerable lies, myths, legends, ruses, hoaxes and other fabricated mendacious saga, likewise furnished preposterous pseudoscientific reports, which Holocaust Today terms collectively as the clusters of 99-Balloons (with connotation to German song of mid Eighties, "die 99 Luftballons"), likewise the Aldebaran, New Swabia ("Neuschwabenland") and their Hallow Earth myth, referred to as AustroGerm's Hole, or the Hole Eurpoe.

The AustroGerm's Hole, the Europe's Hole, rather the cesspool of all civilizations

is selected figuratively in the documentary papers of the international litigations, like the 12 Uttermost Questionnaires, and other Interrogatory Inquiries (vide the list of compilations and the guiding description to the 4-dimensional identification of the Uttermost Scurrilous Biological Life-being). The multi-faceted AustroGerm's mega-sycophancy shall be presented best to Your Holiness in yet other cogent example at the present time. This yet other specimen shall manifest the AustroGerm's Inglorious Bastards in the AustroGerm's parliaments and the Germ's dastardly animal Justices, how they sell themselves for more by harnessing seductive salacious practices today, in the same manner as their fathers and mothers did sell themselves for more.

Excerpton of today's German language dictionary demonstrating the re-defined Germanized version of the term bastard. It reads: "Offspring from parents of different race, genre or kind ("nations"); syn. mutt"

On the day of April 21, 2015, the Austrian Parliament passed a resolution by unanimous multi-partisan vote in condemning Turkey government for the Armenian genocide for the first time at the 100 years remembrance of the victims and in honor to their survived posterity. The German parliament (Bundestag) undertook the same move and followed suit by multi-partisan unanimous condemnation as they passed also very much the same context for the first time in the last 100 years with one nay vote on the day of June 02, 2016.

In both parliamentary decrees, the AustroGerm's rogue regimes condemned unanimously the government of the Turkey in an act of uttermost unrestrained audacity of transference the committing of the Christian genocides of Greek Orthodox's, Christian Assyrian and primarily the Armenian Christians at Turkey alone. Naturally, this AustroGerm's downright flagitious falsehood evoked raucous outrage by the Turkey government and nation each same day. The warnings of the Turkey government were bashed off by the both AustroGerm's parliaments with absolute stupidity. The three Christian genocides of Greek Orthodox, Assyrians and Armenians had been masterminded, planned, organized, carried out from the top of AustroGerm's governmental leadership of Mr. Popinjay ("Herr Lackaffee") Kaiser Wilhelm II, the famed Haji Wilhelm II and to His Majesty Mr. Pighead Kaiser Franz Joseph I; just to name

them by their character that shaped the policies for barbarism; followed by Chancellor Theobald von Bethmann Hollweg, Walter Holstein, down over to the many AustroGerm's henchmen like the Germ's foreign minister Gottlieb von Jagow, vice secretary Arthur Zimmermann (the composer of the famed Zimmerman Telegram against the United States later), supreme military commander of the Turkish military general Friedrich Bronsart von Schellendorf, field marshal Wilhelm Leopold Colmar Barron von der Goltz, Prince Wilhelm Hohenlohe – Langenburg, Richard von Kühlmann, German navy attaché Hans Humann, ambassador Barron Hans von Wangenheim, Deutsche Bank managers Karl Helfferich and Georg von Siemens, Barron Adolf Marschall von Bieberstein, general Otto Liman von Sanders, rear admiral Alfred Peter Friedrich von Tirpitz, his henchman on spot the terrorist admiral Wilhelm Anton Souchon, Guido von Usedom, Vizeadmiral Johannes Merten, further Heinrich August Meißner, Rudolf Höss (later in WW II, he was the commander of the famed Auschwitz death camp), the field supervisors like field commander Eberhard Graf Wolffskeel von Reichenberg (the phrase “hard but useful” reasoned for many AustroGerm's Special Treatment measures v.i., takes reference to this creature) amid great number of other AustroGerm's individuals. These elements had infested the Turkey military and politics by their pernicious AustroGerMitis long time beforehand when they vectored their inheritable and contagious genetic AustroGerMitis Bacillus, which are causative to the comorbidity of mental diseases associated with megalomania, paranoia and sadism through utilization of nationalistic sentiments, hate propaganda, hate speech, fabrication of enemies, instilling enmity to others even to their own nationals at large, and indoctrinating fervent murderous criminal acts and many subversive fraudulent interference into the Ottoman Empire already decade before the WW I was commenced. The AustroGerms were fooling their protégés of a greater time for Turkey, long before they destroyed the Ottoman Empire utterly. The AustroGerm's insidious programs for the Turkey nation implied also gorgeous financial supports to beguile and ensnare the Turkey to the AustroGerm's Hell, the very much similar programs, the AustroGerm's elements are pursuing in the EU and in the Western Civilization. The deep-seating persuasive infestation of the contagious AustroGerMitis Bacillus has been to such degree that the political presence and military management had been run de facto by the AustroGerms, for instance the military cadets of Turkey government's military academy had been vowed to the allegiance to the German Prussian government.

The protégée of the AustroGerm's regimes had plunged the Turkey nation in the tidal waves of the WW I illegally and amorally by intrigued bogus illegitimate military alliance of August 02, 1914. This illegal, ineffective and inoperable military defense agreement was to such degree cavernous and contradictory in itself that they declared it as secret agreement. The secret military agreement was never ratified Sultan was the Commander-in-Chief of the Army nor by the third member of government Djemal Pasha, nor the House of Osman nor complied in terms for the involvement of the Turkey government to go war against the Allied Power. The German war ships Goeben and Breslau were deployed from Austrian haven on the Adriatic Sea to Constantinople on the Black Sea, then flamboyantly presented to the Turkey navy in an act of gorgeous gesture in very “friendly manner”. There were soon re-flagged with Turkey flags and the Germ's sailors donned themselves with the Turkey navy uniform before they attacked the Russian war ships on October 30, 1914 and Russian harbors in and on the Black Sea. By this intrigue act accompli, they hurled the neutral irenic Turkey nation into the war without the consent of Turkey parliament, even without the knowledge of the ministers in the executive branch.

The AustroGerm's navy exfiltrated their protégés day and hours before the final collapse of the Ottoman government. The same AustroGerm's regimes' protégée had

executed the genocides under auspices of AustroGerm's military commands and supervision. The same AustroGerm's regimes protégée was also quickly exfiltrated by Germ's navy before the fall of Turkey government, i.e. the high ranking protégée officers like Ismail Enver Pasha, Ahmed Djemal Pasha and Talaat Pasha, even the lower officers like Behaeddin Shakir, Cemal Azmi and others had been brought to Germany secretly.

The AustroGerm's regime harbored them and deployed them to other illegal activities later in the interwar period. The illegitimate German attack under the guise of Turkey navy took place just days and weeks after the disastrous defeats of poltroon-meanly AustroGerm's military ("Wehrmachtfeiglinge") in Marne and Galicia were handed down and right on the eve of the major French counteroffensive launched. This AustroGerm's "Feige Sau-Fiese Sau-Naturell" (Poltroon Pig-Meanly Pig-Predisposition) has been causative for noticeably prolongation of the WW I at the costs of millions Allied Powers' servicemen life and the Turkey lives in addition. This was also known to the British admiralty by the then-time admiral Sir Winston Churchill and the Allied Powers from the outset before the Paris Peace negotiations began.

The three genocides of the Christians and the vast involvement of the AustroGerm's elements therein, had been known and reported by number of dignitaries like then-time U.S. ambassador Henry Morgenthau Sr. in Constantinople and many others who witnessed the events of genocides and illegal entrainment of the neutral Turkey nation and government into the war firsthand at the time. The sanguinary uncultivable and uncivilisable nature of the AustroGerms have been known for over century until this very day and hour Your Holiness are reading this Christian testimony. Did Your Holiness ever had a chance just to watch the movie Promise?

To testify the third example, the topple of the disingenuous insincere nature of these Inglorious Bastards to Your Holiness today, Your Holiness are informed in this connection of the appeal request of Germ's Congress by Turkish lawyer Mr. Ramazan Akbar to the Germ's Federal Constitutional Court on June 02, 2016. Turkish lawyer Mr. Ramazan Akbas appealed to the court demanding the cancellation of the decision of the Bundestag. The Germ's Federal Constitutional Court - their specious Supreme Court manned with number of spurious Popinjay justices- rejected the appeal to annul the bill on recognition of the Armenian Genocide adopted by the Bundestag, stating that there was insufficient evidence that by recognizing the Armenian Genocide Bundestag had violated the law. Mr. Ramazan Akbas has announced an appeal will be filed to the European Court of Human Rights. The fabric of AustroGerm's regimes with their fatten part of their populace had remained unreconstructed like ever since. These outlaw popinjays of Germ's Supreme Court justices are just few offspring out of thousands progeny of Roland Freisler, fanned out in all AustroGerm's courts acting as legal fixers of the AustroGerm's regimes today. Strictly speaking, the AustroGerm's indigenous nature ("wahre Wesensart") was never assimilated to our culture and civilization since.

The statement of the insufficient evidences does not fall far from the reprehensible AustroGerm's genre at all. It is the same expletive statement the Holocaust Deniers display at their conferences and rallies about the Jewish Holocaust. Like the stereotype Germ's justices and parliamentary members, this sort of AustroGerm's Cheapies require also the proof of the Jewish people murdered, the evidence of their dead bodies, protocols for transportation to dead camps, etc. The cheap parliament members and Germ's Supreme Court demonstrate to Your Holiness how the millions of AustroGerms copy their role model whore parents today. These are more extensively presented in the indictment's sections, titled with The Epitome of the Pride Pig in the Arena of Nations and Cultures, as well in the Arena of Laws and Principals.

The very same statement of the outlaw Germ's justices and others serves also as one of evidences that these AustroGerm's are to be regarded as non compos mentis due

because of their cultural, mental and civil incapacity to stay the international trials on their own.

The AustroGerm's members of their barbarian congresses had been knowing these all active involvement of their popinjays, who were right at the age of their grand-fathers and grand-grand fathers, by bequeathed accounts, many publications, books and other points of reference, before they unanimously condemned the Turkey government. How do Your Holiness call these AustroGerm's nations by the token of their genetic disposed traits if veracity prevailed? Does the term mega-sycophants ("Mega-Falsche Hunde") fit or they shall be better called these animals ("Untiere") giga-sycophants linguistically? How would Your Holiness name AustroGerm's obnoxious falsehood correctly?

How many AustroGerms are aware today that they are sojourning on the West Turkey Territory since November 1918, which at least encompasses to the larger part of the present day AustroGerm's territory legally, morally, and justly correct?

If Your Holiness wish to gain a solid consideration of the point at issue, Your Holiness can just take a look at the maps of Austria, Hungary, Turkey and Bulgaria prior to 1914 and post 1918 after the so called peace treaties were executed, compared with that of Germany. How many Germs are aware they are sojourning on the territory of the contiguous countries in the north and west since 1945 justly and correctly today? How many Austerns are aware of the just and correct claims regarding the territorial acquiescence to their contiguous east and south nations? The time and times ("Die Zeiten und Gezeiten") where they felt themselves "sausicher" (piggish secured, meaning rock bottom secured) is over. How piggish secured are these Austerns in front of International Inquiry Council of Experts in Legal Affaire and in History, when they re-examine the facts and annul the Austrian State Treaty of May 15, 1955?

Please let us present Your Holiness with the fourth vivid example of today's AustroGerms on the account of incumbent Germ's President Mr. Pumpkin Dr. Frank-Walter Steinmeier. He is famed as a Germ's "RealPolitik" advocate of today. The RealPolitik refers to series of criminal uncivilized policies and genocides, originated by Mr. Pighead Otto von Bismark before the World War I. The cheapjack Otto von Bismark served as the chancellor to Mr. Papinjay Kaiser Wilhelm II. This cheapjack Mr. Pighead Steinmeier dares in the AustroGerm's wanton audacity to label other President as "hate speech purveyor" amid other casuistries, all orchestrated in an attempt to detract others from AustroGerm's their own hate, which this populace is harboring within. This repugnant element serves as yet other representative biological species, if it comes to the AustroGerm's genetically inherited "talents" how they sell in themselves for more successfully, as their whore fathers and mothers did so in packs of hundreds of thousands.

As one of many asocials within the Germ's Social Democratic Party SPD, Mr. Popinjay Dr. Steinmeier furthered the policies of deplorable Mr. Whore Willi Brandt and Mr. despicable Gerhard Schröder (a Hapsburg Group element, famed as the Political Prostitute internationally) in number of ways. In his tenure as then-time Minister for Foreign Affairs in the in the Angela Merkel's cabinet and during the Greek Debts crises in 2015, Mr. Pumpkin Dr. Steinmeier was one of the Germ's masterminds to exact draconian requirements from the Greek government. In part he spearheaded his infamous RealPolitik through EU toward Greek too.

In the root analysis to this example, we like to indicate to Your Holiness the London Agreement of February 27, 1953. At time, many governments had signed an agreement in London which resulted in the cancellation of half of Germany's (then West Germany's) debts; i.e. 15 billion out of a total of 30 billion Deutschmarks, at a very crucial period of time

that was much more valuable to Germ's government and nation as it's monetary value might translate. Amid the many creditor governments around the world's five continents, it was also the Greek government. Notwithstanding that the other part of Germ's debts stemming from reparations recompense from the both World Wars had not been cancelled, either legally pursued yet, nor by any other quixotic Judicial Experiments in the interim time was judiciously disowned correctly yet.

Mr. Papinjay Kaiser Wilhelm II, also famed Haji Wilhelm II or "the older brother" of Mr. Papinjay Adolf Hitler (January 27, 1859 to June 04, 1941). It was this creature who first proposed Jewish genocide by use of lethal gas. The vein of his Hun speech has portrayed the mindset of AustroGerm's politicians since to today's statements of AustroGerm's Presidents and Chancellors.

This Germ's President Mr. Steinmeier has rejected claims for the war reparations from the Greek Syriza political party in response to Germany's position on the Greek government's debt crisis. When incumbent Greek Prime Minister Alexis Tsipras, in his first major speech to the parliament in early 2015, pledged to seek war reparations from Germany, Mr. Steinmeier replied to Greek Foreign Minister Nikos Kotzias that Germany was fully aware of its political and moral responsibility for the "terrible events" in Greece between 1941 and 1944 when German troops occupied the country. "Still, we are firmly convinced that all reparations issues, including forced loans, are "judicially" settled once-and-for-all," Steinmeier said. First and foremost, we frankly shot the bigmouth Mr. Steinmeier's propagandistic mendacious claim, that such legitimate claims of Greek had been ever "judicially settled" yet.

Greek's claims like many others have not been settled by any just legal settlement yet. The haughty sardonic utterance of Mr. Pighead Steinmeier above, serves just as one of plethora stances, these AustroGerm's recreants are addressing to other nations today.

Such temerarious stances have been always posted by innumerable other AustroGerm's creatures in response to their eight genocides, unsettled claims post the two world wars, today's crimes and felonies committed to the minorities, deferments from military obligations in NATO post WW II to presence, today's unfinished businesses in response to their devastating malpractice in economy and finances and to other crimes, these AustroGerms are precipitating out of the pursuit to their adorable Seven Inequalities, all emblematic for their Germanic Romanticism pig revelations. The notion of Mr. Pighead President Dr. Frank-Walter Steinmeier is not an one off, it is directly rooted in his AustroGerMania disorders, very empathic of all other Inglorious Bastards since. The apple of Mr. Pumpkin Dr. Steinmeier's notion doesn't fall far from the AustroGerm's cultural and mentality tree today. The reek staunch of AustroGerm's cesspool in Europe and in the whole world pervades every world's culture; the perverse AustroGerm's Zivilisation is infecting every world's civilization with AustroGerMania Bacillus today.

This Mr. Pumpkin Dr. Steinmeier is just yet another specimen, begotten out of those Political Experiments of Allied Powers in addition to myriad other Schädling engendered. Those Western Allies' Judicial Experiments had begotten great number of this sort miscreants today. This epitome serves also as yet other exhibit, out of millions other ingrates that the Marshall Plan aides did not produce the anticipated results, yet then, it proves also the correct conclusion of the Roman Empire's expert, who attested these AustroGerms as uncultivable and uncivilisable too. He serves also as that famed pig, whom the pearls were thrown to, likewise as a specimen for the Cowardly Pig- Meanly Pig representative of his populace at large in the arena of nations and civilizations.

Nothing Your Holiness see today, is a haphazard. By stark contrast, the gracious gestures of all the nations, particularly the Western Allies, has produced many unintended disgraceful consequences. Amid these unintended consequences is also the factual equipollence that the dispensation of inconsequential justice towards AustroGerms has halted the natural biological evolution in mental growth of the AustroGerm's populace. The AustroGerm's populace have been barred off to evolve the cultural growth, mental-intellectual evolvment, moral and social values and to attain coherent maturities in civilization. What the specimen Mr. Pumpkin Dr. Steinmeier presents overboard today, is just yet another exhibit, corroborating the

AustroGerm's incapacitation to assimilate into the Western Culture and to integrate into the Western Civilization. Out of the same vein of AustroGerm's incapacitations, the multitude millions of minorities is experiencing their agony with these AustroGerms since 1955. Mr. Pumpkin Dr. Steinmeier, too, will begin to learn upright lifestyle, when he, together with his family members are deported to Greek to serve menial community service and other chores to his seventh generations to come. It doesn't get a genius to discern through the various 99 schemes of AustroGerm's salacious pretentions and detect their incapability and incapacity. It is readily detectable if Your Holiness just analyze the AustroGerm's mind from their Reverse Advertisement and Reverse Attack strategies, as this miscreant President Mr. Pighead Dr. Frank-Walter Steinmeier, Chancellors, the same way other creatures had trolled themselves all the time, they call it in privy "pretend being prestigious" ("Prestigie vortäuschen") and myriad of

other stratagems. A prestigious individual or a nation at large does not needs to

maintain his or her lifestyle on sleazy lousy ways like embezzlement of her legal minority citizens, nor needs to run her economy and finances by myriad of illegal ways.

It doesn't take a genius either to discern the provenance of Cowardly-Pig traits in the AustroGerm's incapability to compete with equals or stronger, which in turn is interwoven in their Meanly-Pig traits to exert rabid wild schemes to the weak and defenseless. All these propensities were also visibly observable to the Western Allies throughout millennia, centuries and decades.

The Germ's incumbent President Mr. Pighead Dr. Frank-Walter Steinmeier, presents number of AustroGerm's tenets and salacious conman ship saliently on display today

As Your Holiness see, the AustroGerm's are still not evolved biologically. For instance, they have not developed number of mental, social and moral properties; they are not responding to the susceptible apprehension of natural humankind in many ways, e.g. they name the genocides as massacre in their parliamentary and court documents as an one off for instance. Looking from the AustroGerm's mind by the experts and minorities, proves that they are not suffering from bipolar disorder; the AustroGerm's dysfunctions and incapability to natural perceptions are of whole lot deeper roots nationwide. These deficiencies of the AustroGerms disorders i.e. psychopathic nature, inherently born into; sociopathic nature made up by their regimes throughout generations, inheritable and contagious disorders of AustroGerMania have been all long known to the Allied Powers' intelligentsia already long e.g. Hep Hep riots, Namibia Genocide, Hun speech, etc. before WW I, in the interwar period, the staged pogrom on Reichskristallnacht, etc., then for 1933 to 1945, by then to the presence, everywhere.

In the Berlin Olympia 1936 when psychopath Mr. Popinjay Adolf Hitler declined to shake hand and to grant the gold medals to the American athlete Jesse Owns and

100,000 sociopathic AustroGerm’s spectator cheered in affirmation visibly. Mr. Jesse Owns’ brandishing shoe was the clear beacon to the whole world for these uttermost animals, the Vrba-Wetzel Report, paranoid behaviors of AustroGerms post Operation Paperclip like observed on Mr. Werner von Braun firm believe to have stayed with his Brethren from Aldebaran, release of convicted criminals by Mr. Popinjay Konrad Adenauer, Rudolf Kirchschläger and other recreants, the crimes of the scoundrel SS Fritz Todt’s Guest Labor Organization (then modeled in criminal Guest Labor Policies from ca. 1955 onwards), AustroGerm’s falsehood for democracy (“Falschheit vom Rechtsstaat”) instilled to the populace, falsehood mouthed to the Austrian State Treaty of May 15, 1955, Germ’s Treaty on the Final Settlement of 1990 (in result to Reagan Doctrine), European Charter of Fundamental Rights of the European Union of 2000, European Union’s Constitution of 2004 (the AustroGerm’s violations to the latter two and other EU Treaties will pertain to the indictment before the EU Court of Justice for ousting the AustroGerm’s Hole -the Europe’s Problem Zone- out of the culture and civilization of Europe), the Hapsburg Group, and great number of other AustroGerm’s deficiencies and defects. Nonetheless the Western Civilization clinched unviable agreements time and times again, though the extent of the barbarian AustroGerm’s crimes has been always inexcusable till today. The Western Allies in both side of Atlantic have known all these AustroGerm’s endemic barbarism. They have known these all dysfunctions audio-visibly on records e.g. by the content of both AustroGerm’s anthems for decades and centuries. They knew, “You cannot anticipate plea from a psychopath”; “You cannot pacify a sociopath”; “You cannot shame the shameless”; “You cannot put substance in an empty AustroGerm’s spinal overnight, nor over a decade, nor a century”.

The progenies of Mr. Popinjay Kaiser Wilhelm II and Mr. Pighead Kaiser Franz Joseph I; the Germ’s ex-Chancellor Gerhard Schroeder at left (famed in the Western Allies as “Political Prostitute”) and Austrn’s ex-Chancellor Alfred Gusenbauer members of Hapsburg Group, alleged and under investigation for conspiracy and treasonous activity against United States.

The AustroGerms will be receiving number of Interrogatory Documents in the course of the two international litigations; amid them, there are 12 Uttermost Questionnaire in 3D or 4D observation (referring to the two dimensions of the Earth, one for time, and on occasion the fourth dimension, if other biological life beings like animals, insects, bacteria, bacillus etc. are to be included at issue, wherein they are invited to identify and/or put on a scale from zero to 10;

e.g. 4D identification of the uttermost scurrilous biological life being since the God's creation; or the AustroGerm's are invited to put their Sitte (ethics), Kulture, and Zivilisation on the scale of zero to 10, whereas let's say we put zero to the stance of a biological waste ("biologischer Abfall") and let us take on 10 to the preset day stance of British, French, Italian, Canadians, and American nationals or nation, for instance at 2018. These questionnaires and other documents to be completed and submitted to the courts subject to the publication are facilitated for some certain reasons. We invite Your Holiness candidly to follow up the responds, those of the AustroGerm's Prominenz as well respond of every individual AustroGerm's nationals in census.

We keep Your Holiness posted and equally invite Your Holiness (and all the world's individuals alike) to complete these forms and keep Your Holiness findings in abeyance until the AustroGerm's responds evaluated and published. By juxtaposition of Your Holiness findings aside the AustroGerm's outcome, Your Holiness can realize to which degree Your Holiness were hypnotized by the AustroGerm's Inglorious Bastards previously. Yet another purpose is directed to the good of these AustroGerm's themselves. Since, they profile other nations and countries in their wanton Kultur and are suggestive of being better ("sich für bessere gutdünken"), while scornful at all and every single other nationals in various ways and malarkeys. These AustroGerm's biological life beings are for instance master in crafting reverse advertisement by badmouthing Western Allies, scorning at their progressive democracy, conservatism, and civilization, tainting the successful economical and financial system of Allies jealously with lies, mendacious ruses, blunting the cultural and social maturities of other nations with their genetically pestiferous propaganda etc. all meticulously wrought out to run their piggish-happy lifestyle ("saugute Lebensfuehrung; Sau-Raus-Lassen") at the expense of others. Thus, by responding these questionnaires, these AustroGerm's can make their own x-ray pattern now for the whole world; they have attacked them in various surreptitious ways and manners. The production of their own x-ray pattern for themselves may be hard for the AustroGerm's, but "it is useful" (according to their Leitkultur "hart aber nützlich"). It is indeed very useful to them and to their own posterity, when they observe their ancestors in 227 years in future.

If they cannot apprehend the usefulness of Special Treatment, the cancelation of the contentious Austrian State Treaty of 1955, their posterity will be apprehending the exigencies for the Special Treatment. The AustroGerm's Special Treatment is grounded on the same Western Principals that we know: "Treat the others as you want to be treated by others". They will realize once, that the Morgenthau Plan was useful, correct, legitimate, and substantiated in 1944 (it was proposed by the second-hand witness of the AustroGerm's criminals because he was the son of then-time U.S. ambassador Henry Morgenthau in Constantinople during the three Christian genocides and WW I). How many Austerns know of the legitimacy of the northern Italy's boarder be set on Kufstein since May 1945? All these illegal and flawed inactions were causative for the next misfortunes with these AustroGerm's elements up to the present day misfortune of millions minorities since seven decades the AustroGerm's are stabbing in the back of their allies, business partners in economy and finances again and again. The bservance of law and order requires justice and nemesis, capital punishment for war criminals and those criminals who "proved themselves very reliable behind the front lines", (the latter statement is an inkling to the sardonic praise of the Germs to the Austerns, because the more cowardly Austerns had proved themselves as more reliable in expropriation, confiscation of other people's properties, deportation of women, elderly and children and other audacious activities behind the front lines, AKA The Austrian SS).

Your Holiness will be seeing more in the indictment's section titled: The Epitome of the Pride Pig Prancing with Swaggering Gait in the Arena of the Laws and Principals. This same bevy of the Germ's justices who whacked the legally correct endeavor of Mr. Ramazan Akbas will appear in full wax figure cabinet, clothed in their ball mask cloak ("Faschingskleider") in the Bundestag explaining in their wanton fathers and mothers language some legitimacies like the West Turkey Territory before they will be tattooed with their balance on the left arm and dragged down before the courts to receive their deserted comeuppance by facing the gallows, and also before their family members will be deported by GefKa and cattle wagons ("abbefördert") to the Armenian regions of the Turkey, Armenia, Greek, Israel, Namibia etc., where they and their next seven generations will perform their due menial community service. This shall serve to the proof that every single individual who does not respect the dignity of other individual in any way and manner whatever, is to be deprived of human dignity, as our laws and principals dictates this for thousands of years.

Your Holiness are knowledgeable of many languages, I, too, am conversant in three languages. If Your Holiness languages come short to describe these animals properly, please do not be surprised. I, too, come more often than not short to describe them authentically and truthfully without committing falsehood to these AustroGerms by bestowing unwarranted euphemism to them. Please do not be surprised either, because before us three United States' generals Eisenhower, Bradley and Patton came short in the most powerful language, the English language I know of, when the generals visited a concentration camp in April 1945 and stated their famous statement pointedly at a glance, "What these mother f.....did, it beggars description".

The AustroGerm's infecting propaganda machinery spreads through their methods for licentious "Massenverdooofung" stratagem (i.e. mass foooling; the fooling of the AustroGerm's mass in the third phase, staged since May 1945) that: "The American generals were coursing at the AustroGerms". I testify to Your Holiness, the collection of the entire course words I know of in three languages combined, come short to describe the genre of these AustroGerm's biological life beings authentically and truthfully today. More often than not my languages beggar description too and I need to paraphrase or introduce new wording like mass foooling v.s. demagogy to convey the veracity in common sense. How often have Your Holiness been mesmerized by AustroGerm's hypocrisy and seductive falsehood yet?

The illegal plunging of the irenic Turkey government into the WW I, when it seemed expedient to the defeating AustroGerm's Poltroons ("Wehrmachtfeiglinge") at the time, had been also known to the Allied Powers before the Paris Peace negotiations and before the Treaty of Lausanne of July 24, 1923 when the incompetent Allied Powers' interlocutors convicted the victims felled with AustroGerMitis without the conviction of AustroGerm's masterminds, this without mere scruple. The events had been also known to the mostly the same negotiators and incompetent politicians, who fabricated the extraordinary lenient Versailles Treaty with huge omissions and shortcomings unsuitable to barn in the AustroGerms, while stood in favor of the criminal Germ's government at large on the day June 28, 1919, long in advance to the Lausanne Treaty. The utmost knowledgeable personality amid the Western negotiators at the time was the supreme military commander of the WW I, the honorable Marshal de France Ferdinand Foch, who stated out of the deep cognition to these sort of AustroGerm's biological human beings the utmost greatest prophecy since the Day of Pentecost. He stated on the signing day of the Versailles Agreement sic: "This is not a peace. It is an armistice for twenty years". Taken the official start day of WW II, it unveils an accuracy of less than a one percent, depending on which day Your Holiness might take for the Anschluss, the invasion in Sudetenland, or the invasion in Poland.

The WW II had been preventable if the competent knowledgeable individuals like President Woodrow Wilson, Winston Churchill, Marshal Foch and other had been steering the control and had executed the just comeuppance in par passu as all the laws and rights proscribe. The life of multiple million service men, four other AustroGerm's genocides in Middle Europe and the European part of Russia and all the financial and cultural damages incurred, had been preventable if the justice and nemesis had prevailed. Like the Rule of Law was at the hand, the evidences were also on the hand and the perpetrators were subdued under the hand too. I uphold this statement with due propriety and exhibit this self-evident truths because on the same vein, the agony of minorities with their family members at multitude of million people under the AustroGerm's misery has been preventable in the last seven decades.

The Perpetual Solution to the AustroGerm's Problem could have been latest executed shortly post November 1918, if we would not refer to all still unresolved crimes and criminals they perpetrated since the day of August 27, 1791, exactly 227 years ago. The AustroGerms had never a place in the comity of the Western Civilization nor they have ever assimilated to the Western Culture nor have ever adopted themselves to Western Civilization by alacrity. Their tenets has been always antithetical to Judo-Christian principals, these elements have been always antagonizing to the laws, Western politics, free market economy, democracy, civility, maintaining cultural and decent comport, upright business practices in economy, dignity in finances and other virtues.

The two early attempts of French government to usher these uncivilisable nations into the comity of Western Civilization, namely the Cisrhenian Republic (1797-1802), Mainz Republic (March to July 1793) lasted months and few years only, likewise the third Rheinische Republic. The European nations had been knowing these uncultivable nations since centuries first hand time and times again.

The legendary Carl von Ossietzky (Nobel peace prize laureate of 1935) had published detail information of the amoral AustroGerms in massive breaches and violations to the Versailles Agreement with huge funds funneling to rearmament in the pre-Nazi Weimar Republic regime in 1931 and was jailed by Germs already in that time. Instead, to step in support to correct move of France and Belgium for occupation of Ruhr, the British government appeased the Germs largely with reduction of payments. Against all warning from French diplomats, the Naval Agreement was signed between Great Britain Nazi government on June 18, 1935 in promoting to the upcoming Second World War instead to barn the Wild Pig for the good of Western Civilization and for tranquility in Europe.

The British Prime Minister Neville Chamberlain knew these details when he signed the Munich Agreement on September 30, 1938 to perform yet another appeasement to the omnivorous animals, which have furthered de facto to the Second World War. Earlier same year, Mr. Carl von Ossietzky was convicted by pre-Nazi Germ's government for treason and executed in the Nazi regime on May 04, 1938 just few months before the outbreak of WW II.

Like the WW II were preventable, the Allied Power's intelligentsia knew of a mass of AustroGerm's bloodthirsty dastards were on the run post May 1945, now then running the AustroGerm's regime, justice department, industry, economy, finances, though donned with fashionable civilized Western clothing, but still with the same criminal minds as ever before. All the Western Civilization's intelligentsia knew the AustroGerms were being given vast advantages of the Western Civilization's lifestyle without mere basis and more importantly without mere maturities in the Western Culture, moral, ethics, social life, and mentality standards ever attained. The vacuity of AustroGerms in culture, mentality, asocial lifestyle, lack in personality and other

deficiencies and defects of the AustroGerm's populace were already out loud visible when the AustroGerms were conferred with the Marshall Plan aides and other extremely favorable loans at all time low rates and conditions. They knew the emperor's new clothes doesn't make a new emperor if mentally and culturally not matured. The three Powers, Russia, Great Britain and United States knew of utmost animal crimes of the Austrian elements in the WW II, the Austrian SS, and their aspiration to re-unite with the Germs at the will of almost all the Austrian before the Third Anschluss. Nonetheless the Three Powers were massive delinquent and agreed to the pretense of Austrian Occupation ruse and concluded the very controversial Austrian State Treaty in 1955 that let ran the Wild Pig out of the barn. The upshot is that the Austrian in their broaden majority are far less cultured and are harder to civilize than the Germs today. The Five Powers Russia, France, Great Britain and the United States knew of unfit Germ's nation when they wanted the Cold War be ceased in 1991 at any price. The Five Powers know to this day that the AustroGerm's harnessing unintended consequences of their mercy time and times again by taking unduly advantageous in various sinister ways.

There were the same AustroGerm's miscreants off the genre, who conceived of the Guest Labor Policies post WW II on the very much same policies of the "Guest Labor Policies" of the SS Economy and Labor Policies of the Third Reich and to run those policies to whatever extent possible since. To demonstrate to Your Holiness just few of the AustroGerm's mega-hypocrites by genre:

1. consequent practice of divide et impera stratagems to severe multitudes of minorities i.e. pursuit of two-nation; two-class society
2. taxation of Guest laborers while they were citizens of other states
3. Extortion of minorities to pay also for AustroGerm's reparation payments while there were not culprit and while living in a two-nations society
4. Guest laborers paid retirement benefits to the host nation, with no credit transferable for the retirement payments to the posterity of the payee
5. The program was not of definitive time for the guest laborers
6. There have been never a representation for millions of Guest Labor's minorities in the local administration, State parliament nor Federal Parliament for Guest Labors since 1955, nor being representative of the minorities after the minorities have been Austrian or German citizens meanwhile since.

These above stead ongoing examples, like myriad of other equipollent evidences all at run to this day, prove the facts that the Status of Limitation ("Verjährung") can never be granted to these AustroGerm's criminal anti-civilization regimes and asocial populace at large since the day of August 27, 1791. Do Your Holiness meet in any nation's laws and principals since thousands of years that the Status of Litigation has ever been granted to the recidivistic criminals and felons while the scam bags have been keeping to run their abhorrent lifestyle incessantly? There is neither a legitimate claim for Status of Limitation, nor any excuse for recidivism. The fact that matters is that the rabid AustroGerm's rogue regimes with a mass of criminals have not passed their probation time for the fourth time. There will be no more any venue, through which the AustroGerm's rogue regimes shall exercise their crooked manipulativeness out of their AustroGerMania syndromes once again. There shall be no option

open to negotiation how they can extricate themselves from the nemesis for the fifth time. The Holocaust Today enforces all the laws and principals to exercise Zero Tolerance for these criminal animals.

In actuality, there has been never a moral equivalence in consent between the AustroGerm's tenets ("Gedankengut") in pursuit to the Seven Iniquities and our Seven Virtues in the Western Civilization. The day, on that the AustroGerms replace their mendacious emblem of eagle (symbol of the Seven Virtues) with their admired Poltroon Pig-Meany Pig emblem on their flag on the grounds of their consummate conviction to the Germanic Paganism openly and candidly, that day will hallmark the very first day they abandon their genetic conman ship (Hochstapler-Wesenszüge) and begin first to become civilized.

Even their preposterous pretensions while participating in various international sessions and show-boarding themselves in an ill-rehearsed way as though Westerner meanwhile, is a foretelling exhibit yet another proof for their hostility against Western Civilization. Likewise on other occasions they just showcase themselves with disingenuously insincere postures as though civilized if it comes to sell or run their economy abroad. They always sell themselves for more if expedient and favorable on occasion. I had a professor at the University of Erlangen, who gibberish spoke of Jewish ethical jokes midst in the lecture, rendered by Mr. Popinjay Professor Dr. Otto Molerus. All other professors, my alumni and fellows working with him in the institute can witness this to Your Holiness and the world too. For, he is a true cut specimen of the AustroGerm's broaden amass as I witnessed them in the AustroGerm's society, work places, and other arenas for 28 years. How many more centuries do Your Holiness reckon it will take the AustroGerms since their Christianization until they might assimilate to Western Civilization and adopt by apprehension that anti-Semitism is anti-Christian.

The far right AustroGerm's masterminds and Chief Strategists have established also meanwhile the Organische Christen Gemeinde (Organic Christian Congregation), wherein the term organic is barrowed from the pre-Nazi and Nazi regime with the meaning organized, regimentally structured. I will not be astounded if they disseminate the doctrines of the Positive Christianity and instill the Martin Luther's Fecal Descriptions again. The attendees in their conferences are bluntly calling for Holocaust denial, disownment of AustroGerm's government's debts, racism and slavery in its Germanic meaning and to new axis power, Paris-Berlin- Moscow to defy the Abrahamic Western Civilization, democracy, NATO, EU, specifically Great Britain and United States overtly today.

I call here to the Germanized version of racism on purpose, in order to distinguish the meaning of remnant racism from other nations, because the Germanized version is in all likelihood hundred times more worst than it's equivalent term "racism" may convey to other nations. For, the Germanized version of racism is hundred times worst than the linguistic term implies. Likewise, the Germanized version of slavery is entirely different. In the past slavery was practiced to utilize workers while master took care to keep them for his purpose for generations. In the Germanized version of the slavery, the AustroGerm's tenet uses other people's work force

with the aim eventually to exterminate them like it was practiced in the Armenian work camps and then in the concentration camps and POW camps.

Your Holiness are best knowledgeable of the Christian history of the last two thousand years in all the five continents, to all the nations and ethnicities in every corner of the globe. If Your Holiness scan the history of the Christianity through three dimensions around the globe and the time since last two thousand years, do Your Holiness find any nation, ethnicity or

tribe of 5000 people or more that has ever rendered such disgusting anti-Christian inflictions, churned out reprehensible doctrines out of their national-mindset post Christianity had been introduced to them like these obnoxious AustroGerms animals keep doing so?

There are Christian churches in the AustroGerm's populace today that are contemptuously defiled with disgraceful symbols and insignia of NAZI Germanic Paganism and Germanic Occultism under the guise of Germanic history. This abominable endorsement of AustroGerm's Germanic symbols against our sacrosanct principals to this day, is yet other utterance of more abominable AustroGerm's national belief to paganism, Nazism, racism today. Did Your Holiness ever meet or may Your Holiness ever imagine -God forbid- the Jewish or Muslim descendants of Abraham tolerate staining a synagogue or a mosque with insignia of paganism, NAZI symbols, pig adorations, racism, lecturing the Seven Inequalities, or other antagonistic doctrines? Did the apostle socialize with Jacob Iscariot after he betrayed Jesus Christ? Did the apostle maintain business practice, trust funds, ally in a defense alliance, arrange in a political league with such recreants like Jacob Iscariot once they were exposed unmasked. Your Holiness will be seeing a whole lot more in the sections titled with Unmask the Loup Garou, Defang the Vampire for dismantling the AustroGerm's frenemy in the Western Civilization, all parts of AustroGerm's Perpetual Solution.

Like in every year, the Fortune 500 annual report in United States reflects also the participating companies built by immigrants. The December 2017 report indicated that almost half of the Fortune 500 companies were founded by immigrants or their children in the second or third generation. The minorities are living approximately since 1955 in the present day AustroGerm's territory. The annual reports of the AustroGerm's economy are archived in the AustroGerm's Economy Chambers. The Holocaust Today's indictments requests also for number of Interrogatory Evidences, amid them the name and numbers of the AustroGerm's 500 Fortune companies. How many minorities and their Fortune companies do Your Holiness reckon the AustroGerm's nations will be furnishing in response for every year since 1960 to present?

The highly qualified minorities in mass with summa and magna cum laude in first generation and subsequent generations are severed in the present day AustroGerm's territory from every level, while unqualified AustroGerm's nationals are occupy positions unmerited everywhere because of the operation of Aryan Paragraph, blood and soil tenets, color of the eyes, fluency in the traits and language of their fathers and mothers, the famed cheapies, as well as because of 23 out of the 25 Nazi Party programs and many other infamous doctrines at operation. They enrich themselves and their family members at the costs of minorities and their family members. These sort of AustroGerm's biological pariah are assumptive they could get away with all their violations and are possibly not oblivious yet, that they will be held accountable one by one with every single one's beneficiary by operation of mens rea, acts reus, criminal maintenance, criminal or fraudulent conveyance, civil assets forfeiture, replevin in the cepit and other international laws, as well as in accordance to the AustroGerm's own mantra "Jedem das seine", a mantra meaning "to each his own" or "to each what he deserves", in laws and in Latin sum cuique. This old AustroGerm's mantra was used cynically by the Nazis government in many occasions and was displayed at the entrance of Buchenwald Concentration Camp. The same AustroGerm's mantra will be tattooed on the left arm of the Schändler List elements down to seven generations.

The minorities in the present day AustroGerm's territory are the same people like in U.S. economy, politics, military, and elsewhere, likewise in every other cultured nations.

They are facing much more fierce competitiveness in the United States, much complex language than the German language, and other challenges. Yet, lo and behold they succeed because of our ethics, culture, mentality, values and civilization. These all, without using corrupt business practices, bribery, and other malicious lifestyle in economy and finances. A blessed prosperity, merited, not embezzled from minorities' citizens. We prove the truth that every mankind is bestowed by God with inalienable rights and Godly gifts and contribute to our part to use the Earth resources, harnessing these resources to our all wellbeing as it was the purpose of God on the outset of the creation.

The AustroGerms segregate, lop, and undermine the minorities rights and role everywhere because of the cultural and intellectual jealousy, of their adherence to the Seven Inequalities, etc., i.e. the radix of "Feige Sau-Fiese Sau-Naturell" (Poltroon Pig-Meany Pig-Dispositions). Let us see which rhetoric and casuistry they will furnish then according to the language of their fathers and mothers, die Billlligen (the cheapies in the third phase) in front of the courts of justice.

These might serve to Your Holiness as yet other vivid evidence at a glance. In this aspect Your Holiness will be informed more in the publications to the indictments, sometimes referred to "showcasing themselves as though prestigious", whereas the title originally stems from some jokes the German addressing it to the Austrian, because the Austrian are much more consummated cone-men on the table etiquette, when they comment flauntingly over the food served in an attempt to sell in themselves for more by being accustomed to better tasting cousins. I, myself can testify this Austrian showmanship as I witnessed by my own by many Austrian, although I know of few exceptions too.

Like this AustroGerm's tenets by tradition, as like all the other points were known to the incompetent Western politicians when they rendered their gullible Political Experiment with the AustroGerms in 1918, like they rendered other imbecile Political Experiments in the interwar period and post WW II to this present day time and times again without the exercise of due legal process, and the execution of justice by operation of nemesis. These quixotic Judicial Experiments are the roots of the agony, the minorities are suffering then.

The AustroGerm's masterminds along Haji Wilhelm II were not received with the deserted comeuppance; none of these thousands of miscreants were hanged by due justice and nemesis. None of these perpetrators and their unmerited favored family members had been expropriated nor deported for community services in Namibia, Armenia, Armenian, Assyrian regions of the Turkey, and to Greek for the next three or four generations as the laws and principals mandatory proscribes for the sake of justice and tranquility. These all have been also known to the mankind for thousands of years. These all were pivotally contributing to the rise of the WW II, and then conducive to the ordeal of millions of minorities since the last seven decades in addition. Speaking in the lingo of the AustroGerm's mantra, the Perpetual Solution is hard but useful. For, it is very useful to the whole civilization. The Special Treatment is in actuality a humanitarian process for the good of AustroGerm's nationals. Like AustroGerm's conviction to their lifestyle has grown over centuries and it is metastasized over generations. The AustroGerm's outlaw nations are grown over centuries; it takes centuries until they can adopt the maturities to grow in to nation of law. In wit; it takes for Special Treatment centuries and generations until the AustroGerm's unfits can be grafted in to the precepts of the Western Civilization and produce the fruits of the Western Culture.

Please let me recall, in the Yalta conference of February 04, to 11, 1946 and the point of agreement to deploy millions of AustroGerm's population to Russia to perform base community service in response to Sankt Petersburg genocide, Russian POW genocide and other atrocities the AustroGerm's poltroon-meany Wehrmacht committed alone in Russia. This was not executed, though just and correct according to all laws and principals, as well conform to the Canon Law of both the Old and New Testament.

In the Yalta conference were also agreed to demilitarization and de-nazification in order to extirpate the genre of AustroGerMitis Bacillus. It was also agreed to that the Nazi war criminals were to be found, and put on trial in the territories where their crimes had been committed; Nazi leaders were to be executed. Post May 1945 these terms had been disrespected at large as well. The upshot is, for instance, that the Germs supplied Syrian regime with chemical weapon technology and materials because it seemed piggish-smart to the Germs to use the opportunity and sell services and products to the perhaps 1000-times higher sale value. The Germ's rogue regime condoned it because the treasonous entities involved with, paid also noticeable corporate tax for.

In the Tehran conference of November 28, to December 1, 1943 and in the Yalta conferences had been also correctly agreed to the international zone of Morgenthau Plan post WW II to Denmark, Netherlands, Belgium, Luxembourg and France. This just and correct measure had been shelved in the archives because of the Cold War era at time. The upshot is that these AustroGerm's outlaws are grown more in rascality if it comes to exercise their Poltroon Pig- Meanly Pig-traits unto the defenseless minorities.

Atlantic Charter of August 14, 1941 and other necessary measures regarding disarmament and prohibition of any military industry of Austria and Germany had been overseen bluntly. This was causative for instance that Germany and Austria supported embargo imposed countries like Syria and other enemies of the Western Civilization with weapons including chemical, nuclear and other advanced weapons and technology related thereto later.

This only few simple examples mentioned above might just present Your Holiness a glimpse of the DNA spinal analysis of the AustroGerm's populace at large today. Your Holiness will meet great number of other exhibits that substantiate the AustroGerm's cognomen as mega-sycophants and corroborate the exigency for AustroGerm's Special Treatment on this day in the course of the indictments and litigations. These few examples might have presented the finding of the root analysis why the AustroGerms are an unfit midst in the Western Civilization and why they are hostile to the minorities, Western Allies, economy and finance partners and all other civil nations in the comity of the Western Civilization.

The massive delinquencies of incompetent Allied Power's politicians and their connivance to the reports of intelligentsia at the time, have been causative for domicide of minorities, mass despoliation, mass deprivation of rights, mass disenfranchisement, mass disenfranchisement, mass marginalization, abridgment of dignity and Devine Rights onto mass of population, illegal measures employed for mass pauperization of minorities, mass disaffection while at the other end self-enrichment of amass of AustroGerms by use of illegal uncivil measures like mass appointment of outlaw hanging offenders as judges in the AustroGerm's justice apparatus, fanning out thousands of hanging offenders as law enforcement agents to safeguard the AustroGerm's Gestapo regimes and also chuck off the minorities in their merits, gifts, assets,

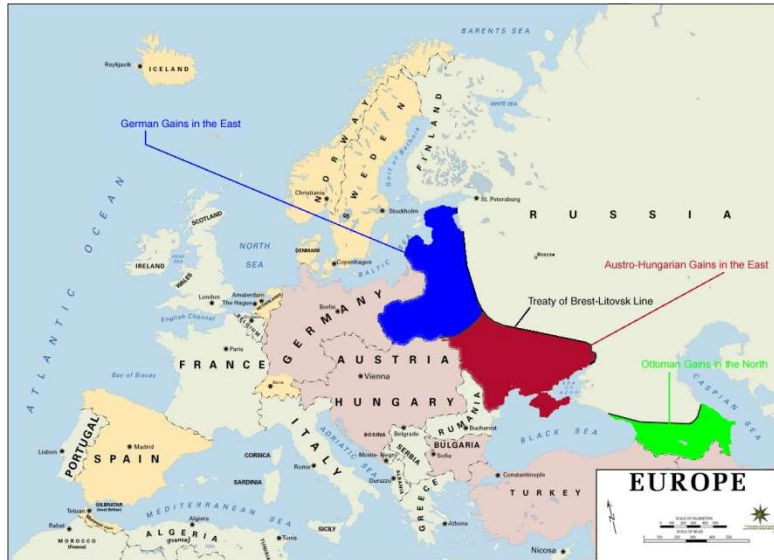

rights and to secure mass usurpation to the advantage of AustroGerms sanguinary lifestyle. The noose of the justice is dangling for these AustroGerm's elements and many other criminals, who will appear in the Schädling List; their family members and beneficiaries in the Schändler List. There are alone thousands of outlaw judges, great number of scoundrel prosecutors in AustroGerm's judicial apparatus subject to capital punishment in the litigation, their family members subject to expropriation and deportation for menial "useful" community service for the next seven generations.

There were the credulous Allied Powers' politicians, NATO members and other EU politicians with their surreal Political Experiments, who were suggestive they can transfigure the genre of the broaden amass of the AustroGerm's like revival of the mankind on the Day of Pentecost. These politicians had been aware of the AustroGerm's management to the rise of communism; aware of Vladimir Lenin's Decree on Peace pressed onto of November 1917 midst in the WW I, aware of Treaty of Brest-Litovsk (with its outrageous claims for territory curved out of the Russian Empire for the AustroGerm's animal regimes), the systemic methodically planned and structured genocides in Namibia, then against Assyrian Christians, Greek Orthodox Christians and Armenian Christians, Jewish people, genocide in Saint Petersburg and genocide committed against Russian POW, Polish people (Commissar Order), which the AustroGerms either water it down by instillation of massacre or they just deny it blatantly. Did Your Holiness know that AustroGerMania Bacillus savaged higher dead toll than the Black Dead, Spanish Flue and still keeps demanding lives to this day? The trial of genocide, pogroms of cities and villages, mass looting and mass usurpation, AustroGerm's mass slavery for the Labor Camps down to the death of captives; in the AustroGerm's words dubbed as "Gust Labor" were all looming in all the colonies of the other European countries around the globe, if the tyrant were not defeated in May 1945. We shall bear these in mind as long as the genre of these AustroGerm's idiosyncrasy is not transcended to the level of natural and cultured nations.

The AustroGerms patent breaches and violations against Potsdam Agreement, necessity for Morgenthau Plan, illegal ludicrous Austrian State Agreement, Chancellor's Card, Final Settlement, multiple breaches and nonfeasance to the EU Constitution, EU Laws and principals, frauds at large in economy and finances, etc. were all been well known to the Western Allies and all civil nations at times.

Thus, looking from the perch of the Pride Pig, shall not surprise everybody in the world why the AustroGerm's mind reads the genocide to massacre (e.g. pertaining to the official statements in connection to Namibia, Armenian, etc. on record) today. The Pride Pig could not biologically repudiate his traits because the Pride Pig does not neither evolve sense of moral, nor civil social lifestyle, nor upright business practices in economy and finances, etc. It is either biologically not possible or these senses are cauterized by the endemic AustroGermMitis Bacillus. What the eye, ear, mental perception, physical and spiritual senses is received with by other nationals is indeed different as perceived by the impaired AustroGerms from ancient Roman Empire's time, to the recent history onto 1791, then to the Anno Domini 2018.

The number of murdered, deported, expropriated and deprived people listed below are verifiable. The number of at least 12,000 hanging offenders on the run in May 1945 has grown significantly. Now, to present Your Holiness with some verifiable estimates on the hand, we estimate the number of the Inglorious Bastards today of at least 70,000 hanging offenders, 400,000 to 500,000 other criminal elements on the Schädling List; including their beneficiaries and family members, there are an estimated 4.5 million crime-infested elements out there, recorded on the Schändler List subject to expropriation and deportation to perform base

The result of the alliance of Lenin with the AustroGermans for the rise of communism with the “miles” the AustroGermans took advantage for their “inches” can be best presented by the new map of Europe post effect of Treaty of Brest-Litovsk with Russia on March 03, 1918. The omnivorous AustroGerm’s savage could have restored first by the Western Allies post November 1918, e.g. with execution of Wilsonian Doctrine.

community services in the victim’s countries. Please feel free to gain palpable impression by reckoning, how many creatures need the AustroGerm’s rogue regimes to employ in order to keep multitude millions of minorities suppressed since 1955? Please consider the estimate of just 20 to 25 million people of minority just in today’s present time. This is the upshot, if justice denied; this is the outcome if refrained to execute the justice by nemesis. Just yet other vivid example for Your Holiness, do Your Holiness know that just ca. 8 million Christian Armenian are living in diaspora around the globe today as the result of AustroGerm’s AustroGerMania infested Kultur and Zivilisation? Nothing is a mistake; nothing is an one off in the AustroGerm’s regimes. Many things were preventable, many life and many years life time and other misery of millions of people were preventable if the AustroGermans would have been dealt with correct measures of Special Treatment. Nothing is a fantastical phantom, everything reported to Your Holiness today and to the international courts are sheer reality.

These AustroGerm's defects of natural senses are saliently observable for instance on the psychopathic individuals clearly. Their senses do not react like in a natural person, ergo they do not respond to the signals emitted by a lie detector, for instance. The felled AustroGerm’s individuals at national expanse do not feel of shame for their wacky lowlife; disgrace for their frauds; guilt for their crimes; remorse to their violations; consternation for garnering other people merit and money; they commit perfidy against the allies and minorities while boast themselves with pride; they feel themselves to be entitled for because the entitlement is also one of the symptoms for their psychopathic diseases like meanly aggressiveness to the weak, while poltroon against equal or stronger; they satisfy their sociopathic mental infirmity by insidious stealth attacks and dub themselves piggish-smart for; they react aggressive to everybody against them because of fear lest their conmanship and card house can flip at any time; the AustroGerm’s regimes did not proffer the school lecture civics because they have been afraid, the lecture civics can unmask themselves with; they do not exercise free press because the free speech and free press will unmask the loup garou, demonstrating their self-hatred, lack of self-confidence, self-esteem, squash the matrix of their lies and myths, the veracity is

suppressed in the AustroGerm's regimes and their nefarious populace because they are running giga-criminal lifestyle and for this reason they are socially, economically, financially, militarily, and politically anxious. The AustroGerm's regimes and populace are consciously and subconsciously aware of their vacuity in skull and backbone.

For these emptiness various kinds, they cling on extraneous given points and events, appearances, race they were born into, blood and soil, geographic place of birth, Nazi doctrines, jingoism, validation seeking, bump themselves with unintelligible entitlements, all by taking these all from outside and putting them to the inside in an attempt they can fill up the emptiness in their character and personality. Your Holiness will witness the DNA sequence analysis portraying the inheritable syndromes of AustroGerMania and the topography of their notion later.

The term 99-Balloons has been chosen cogently reminiscent to an AustroGerm's song of mid Eighties, which will be the title and the number of AustroGerm's testimonies to be furnished before the courts of justice, like list of 99-nationalistic self-glorifying locutions and their compulsory urges inherent thereto; 99-video clips of AustroGerm's salacious gestures, characteristic debauchery memes, lewd choreography; 99-characteristic inherited traits from the multitude of 100-thousands male and female prostitutes fanned out all over the places to some times around 1950is (the Train Station Boys and Wives); 99-spurious pretexts for justification of their rogue Politik; 99-argues why they decline to adopt the sin qua non of the Western Culture that is enshrined in the Universal Declaration of Human Rights of 1948.

manipulative beguiling measures they apply internationally to other nations while abroad, if expedient to take advantage of; 99-strategems for their reverse-advertisement schemes; 99-magniloquent mantras; 99-Alternative Facts; 99-AustroGerm's monikers for pig adoration; 99-cognitive traits ascribed distinctively to the uttermost biological pariah; 99-motives why the AustroGerm's do not feel remorse, guilt, shame while committing crimes and defraud against others; 99-points for their supremacy, entitlements, arrogance; 99-predatory claims for their entitlement to take advantage of other; 99-malign deceits the AustroGerms label to others in order to distract others and cover up their own deceits and crimes; 99-hates why the AustroGerms hate Americans, Brits, French and Russians; 99-reasons why they are defiant to adopt the Western Culture; 99-reasons why they are defiant to integrate in the Western Civilization; 99-reasons why they are going at war against the Western Civilization since August 27, 1791, and legion of other 99-Balloons. In leaning to this title, number of Interrogatory Documents will be requested from the AustroGerm's nationals, wherein they can identify themselves and present themselves in their authentic idiosyncrasy with no longer more seductive pretentions.

In this sense, even if Your Holiness cast out ("austreiben") 98-balloons, they inflate the 99th one for their deficiencies in claiming for the reason because the sun rises at the east of their fatherland and because of this, they feel to be entitled to run their moocher lifestyle; their trichina-Kultur; their Flatworm-Mentalität; all at the expense of other nations. The grandiosity in behavior, magniloquence in their rhetoric, manipulative in self-presentation, manipulativeness by subtle mesmerizing tactics, and all the collection of their reverse advertisement is the utmost salient outcry of the vacuity in their own. All these symptoms have been known to the Western Allies for decades and centuries. The experts of the Western Civilization have been always knowing of indelible cognitive pattern of the AustroGerms, they know, no one can change the psychopathic individuals easily because psychopathic disease is born, and this, because AustroGerMania is inheritable. The AustroGerm's psychopaths engendered the AustroGerm's sociopaths which were yet outgrown over generations to psychopaths too. For this AustroGerm's trajectory, the kilo-criminal predatory AustroGerms of yesterday have outgrown to mega-criminal predators today. It was the credulous believe one can tame the criminals by genre with a mere writ "Mit brennender Sorge" concordance; with a mere Potsdam Agreement; cherishing the perfidious

AustroGerm's vampire by genre within the bosom of NATO; it is gullible to embrace the AustroGerm's in the comity of European Union, because the AustroGerm's Hole just happened to be midst in Middle Europe.

List of the genocides, the AustroGerms regimes and populace are culprit for to this day. All this AustroGerm's animal actions of tyranny had been committed within 41 years between 1904 to 1945 right in recent time, when the AustroGerm's pigs had been let out of the barn unleashed; this in connotation to AustroGerm's Leitkultur for "(sich) die Sau rauslassen", literally "let the pig out" meaning enjoying extravagant pleasure; indulging blissful time.

1	Namibia Genocide
2	Christian Armenian Genocide
3	Christian Greek Orthodox Genocide
4	Christian Assyrian Genocide
5	Jewish Genocide
6	Saint Petersburg genocide (in the literature known aka Leningrad Genocide) with more than 1.5 million people
7	Deliberate maltreatment of Soviet prisoners of war with the death toll of 3.0 to 3.3 million people in WW II
8	2.77 million non-Jewish ethnic Poles with the Special Prosecution Book-Poland, killing of 61,000 Polish elite civilians under the AustroGerm's program for forced resettlement of over 1.7 million Poles.
Similar register of British elites were also prepared by AustroGerm's Intelligentsia.	

In addition:

An estimated 100 millions of life worldwide after the AustroGerm's regimes instigated the rise of communism.

Thousands of newly born babies by throwing, drowning in a water pit, putting in trash bins; all these also from AustroGerm's firm mental conviction too.

Kidnapping of foreign children by Nazis.

The program comprised of kidnapping of "Aryan-looking" children. An estimated 400,000 children were abducted throughout Europe as part of AustroGerm's depopulation policies of occupied territory that encompassed forced mass deportation of 45 million people, amid them 31 million defined as Undesirable, whereas about 14 millions were to remain, but were to be treated as slaves according to Germanized version of slavery. The AustroGerm's animals defined the deportation as "Umbevoelkerung", meaning repopulation of occupied territories.

Seeking entitlement, validation, admiration, pride, supremacy, selling in themselves for smart, touting for being cultured meanwhile, claiming of being of a supreme race, etc. are all patent attestation for mental disease from within the defect persons' mental stances. The AustroGerm's hostility against the Modern Civilization since 227 years, great number of wars of usurpation, two world wars, eight genocides, crimes against defenseless minorities have been all committed out of their firm conviction to this hour; all these are stemming from inheritable and contagious AustroGerMania mental disease that has outgrown to national expanse. Out of devoid personality, driven through identity crises, deprived of social civil identity has driven the AustroGerms to fabricate themselves an Aryan race myth though they have nothing in common with Aryans. The world's intelligentsia has always known that the broaden amass of the AustroGerm's populace display saliently the syndromes of megalomania (aka Narcissistic Personality Disorder), paranoia and sadism, i.e. ca. 95% of the

AustroGerm's populace, while in the regular natural nations and societies around the world an average level of 1% has been observed, i.e. AustroGerms are beset nearly 100 times more with this diseases. The same ratio applies also if we compare Kultur vs. culture, Mentalität vs. mentality, Sitte vs. ethics, Zivilisation vs. civilization, Politik vs. politics, Demokratie vs. democracy, Justiz vs. justice, Rassismus vs. racism etc., in all these the Germanized version differs nearly by 100 times.

Your Holiness see the syndromes of AustroGerMania at every strata and throughout all the times from early ancient Roman's Empires expert ca. 51 B.C. to this very day. The world's intelligentsia has known of inheritable and contagious character of these diseases that can reach to national expanse and engender animals out of natural persons. Mr. Popinjay Kaiser Wilhelm II, Mr. Majesty Pighead Kaiser Franz Joseph, Mr. Popinjay Adolf Hitler along all their entourage, continued by every AustroGerm's regimes since 1945, political campaign of the far-right animals in the Germ's Alternative for Deutschland and Austern's animals Freiheitliche Partei Österreichs employ the very same propagandistic exercises for mass foooling (Massenverdoooofung) that vectors the AustroGerMitis Bacillus i.e. paranoia, megalomania and sadism into their ever-known uncultivable and uncivilisable populace today.

These miscreants of humankind's civilization already at large in millions of biological human beings expose the same extraordinary craftsmanship for manipulativeness syndrome of AustroGerMania like their famed fathers and mothers did so in the train stations successfully. Some paradigm of AustroGerMania's overt symptoms can be summarized as:

1. Grandiosity with expectations of superior treatment from other people
2. Fixated on fantasies of power, success, intelligence, attractiveness, etc.
3. Self-perception of being unique, superior, and associated with high-status people and institutions
4. Needing continual admiration from others
5. Sense of entitlement to special treatment and to obedience and subjugation from others
6. Exploitative of others to achieve personal gain
7. Unwilling to empathize with the feelings, wishes, and needs of other people
8. Intensely envious of others, and the belief that others are equally envious of them
9. Pompous and arrogant demeanor

The covert symptoms, aka deep psychology syndromes are the driving momentums that compels the AustroGerm's individuals. Thus the covert stereotype syndromes are exactly opposed to those overt; like inferior personality, self-hatred, insecurity, instable in attitude, lack of intellect, intelligence and confidence, lack of self-esteem, laziness, poltroon, licentiousness, incapability to perform exceptional achievements, anxiety, most noteworthy lack of faith in God, etc.

Seven out of the eight AustroGerm's genocides were committed against white populations; seven out of the eight genocides had been committed against the Abraham's descendants who bear the torch of the Western Civilization for thousands of years; six out of the eight genocides had been committed against Christians, who are bearing the brunt of the liberty and justice for all in the Western Civilization since 3,700 years; five out of eight genocides had been committed against European citizens; two out of the eight genocides had been committed by the bogus Aryans against the genuine Aryans, i.e. the Christian Armenian and Christian Assyrian. The effect of national mental disorders of AustroGerm's nationals does not know of mankind's kind of race, gender, color of skin, shape of the body, origin of ethnicity, geographic location of disease infested nations, nor the need for a place to live ("Lebensraum"). Out of these deficiencies they are clinging on their asocial, amoral, uncultured lifestyle; out of

these defects they exercise illegal business practices in economy and finances.

Out of their incapacitations various kinds, these AustroGerm's populace is jealous at others, because these AustroGerms are best consciously as well subconsciously aware, they cannot compete with others in ethics, mentality, moral, upright business practice in economy, playing by the rules in finances, likewise in military and politics. Out of the same vacuity and shortcoming they have fabricated their lies, ruses and myths e.g. Krist the Aryan, Hollow Earth, Aldebaran, etc.; The lack of substance drives these biological life beings to their consummate conmanship with their 99-Balloons; it is the same AustroGerMania that makes the Paltroon Pig-Meanly Pig traits against the minorities and Western Allies. Nothing is a haphazard, nothing is a one off. The AustroGerMania doesn't know of allegiance, nor loyalty, integrity, fidelity, faith, decency, and civility. The effect of national personality disorders of AustroGerm's nationals does not relate to resources, wealth, assets, merits, notion for politics and civilization, religion, kind of worship, language, tradition, culture, kind of clothing, taste of cousins, kind of folklore music, and other extraneous features either. Likewise, the effect of these infested AustroGerm's nationals does not get curbed off by one or the other international treaty, installation of a new constitution, enacting new laws or issuing new promulgation of a bylaw; under the guise of nationalistic slurs these AustroGerMania infested animals they rendered the uttermost treasonous actions against their own nations; under the cloak of "caring friend" they have devastated their own country more than any "enemy" could accomplish; no wonder that all the enculturation, socialization and civilization programs of the Western Allies have failed utterly. These personality diseases of AustroGerm's populace stems from within. It is just camouflaged with racial supremacy, slogans, sophisticated rhetoric, artistic gestures, well-rehearsed debauchery meme, artful choreography, spurious show of the legion of 99 balloons and myriad of fabricated myths and lies. As we were told with; "the dirt comes from within". As these disorders have grown in to the AustroGerms nationals over centuries, bequeathed throughout great number of generations, these infestations are endured hard in the fixity of the AustroGerms. It takes generations until the Special Treatment can heal these disease-infested nations. To my humble understanding of the Holy Bible, it is not the God who punishes the wrongdoer down for three to four generations, once the wrongdoer held accountable. I think rather it is the consequent operation of the Godly laws of His nature that homes in to the wrongdoer and sustains on to three to four generations until the mindset of wrongdoing extinguished in a natural person, who stands under the purview of the nature.

For these AustroGerm's people the neuralgic pattern of the brain, the DNA Sequence analysis of their inheritable diseases (like AustroGerMania) serve as physical cognitive evidence to the international courts, proving thus these people are not compatible to the comity of irenic civil nations. For these AustroGerm's predispositions, all the expectations prior to each grotesque Political Experiments failed to yield thereafter, due to the AustroGerm's idiosyncrasy. Thus these socialization, enculturation, and civilization programs did not produce the anticipated results to this day.

The Hun speech of Mr. Popinjay Kaiser Wilhelm II, documents of Mr. Pighead Kaiser Franz Joseph I, Martin Luther's Descriptions, Positive Christianity, Mein Kampf, etc. up to the present chancellors and ex-chancellors will be best available documents at the hand of International Inquiry Councils of Experts in various commissions in support to the International Council of the Justices for the support and perusal of the U.N.'s International Judges. The witnesses, exhibits, testimonies, documents of the minorities will be broached before the ICC and ICJ, represented by the Council of the Federal Judges of their respective nation (or their current citizenship by choice). Your Holiness will be seeing the public amenable sessions recorded in cloud and

amenable to all the nations in all languages at any time, thus every single one of the world's population can make his own decision whether to confer the AustroGerm's with human dignity, natural rights, respect in society, having business with, trusting stocks, collaborate in finances, purchase AustroGerm's products and services, likewise purchase of every product and services containing AustroGerm's parts and components, and in every other strata of collateral international cooperation. Your Holiness will be seeing our petition to international and national courts for lien to all AustroGerm's properties, entities, assets, stocks, bounds including monetary and gold reserves for indemnifications of minorities and all other inflicted nationals. These AustroGerm's animals have marginalized, slaved, and pauperized multitudes of millions of people, thus they are to be treated the same way, they have treated the minorities.

The convicted perpetrators and their posterity shall be visible and verifiable in their new "Lebensraum" (living sphere) at the time when they perform "useful" community services in every place around the globe to the victims and to their posterity for the next generations. The just comeuppance is to carry out to the same period of time and for the same number of minorities' generations as they had been suffering by the effects of AustroGerMania in par passu to the commensurate extent as the laws proscribe the nemesis.

The overt as well as covert syndromes of AustroGerMania have been always persuasive in the AustroGerm's nations since centuries. The AustroGerm's both national anthems had always served as an epitome of their disorders at first glance. The massive omissions of Allied Powers, NATO, EU, G7, G20 with the AustroGerm's regime and populace at large, shall never ever happen again. We have been never commanded to apply the regular laws and principals designated for natural individuals subject to crimes and felonies unto the genetically disposed animals. The Western Allies has known, the laws and proceedings designated to deal with a shop lifter are different from those dealing with kleptomania. Does Your Holiness know of any nation's laws that grant impunity to recidivistic murders, criminals and felons repeatedly? Does Your Holiness know of any national law that pardons the pathogenic sociopaths and psychopaths who committed murders, crimes and felony? Does Your Holiness know of any Christian nation that has conferred forgiveness to serial killers, sociopaths, psychopaths, recidivists without mere repentance and this repeatedly? Does Your Holiness know of any Christian obligation that commands to cede on to the claims of a creditors to nullify the national debts as the AustroGerm's far-right elements and think tank agents are appealing for to the AustroGerm's regimes out laud from the podium? How many lives of minorities shall fell prey to the AustroGerm's omnivorous tyranny until our civilization can realize, we cannot trial biological animals with the prevailing laws and orders of cultured nations. For, this is literally equipollent to preaching the Gospel to the pigs. Having this attitude prevailed, it contravenes to the Third Commandment.

This has been the practice of Allied Powers post November 1918 to the AustroGerm's regimes and nationals at large since. The upshot of these grave delinquencies is the growth of mega-Inglorious Bastards like the Hapsburg Group today. Many ordeals in contemporary history to the misfortune of millions of minorities have been preventable. This is not a statement in hindsight, it is a manifest of Western Allies misfeasance in operation of laws, it is the manifest of Allied Powers' connivance to operation of nemesis. Because the Allied Powers had not handed down the AustroGerm's deserted comeuppance by justice, laws, and nemesis, millions of minorities and their family members have to pay the price for since seven decades.

The indictments expose great number of criminal covert and overt syndromes for perusal of International Inquiry Council, Commission for Psychologists, Sociologists, Criminologists, etc. To name just few other covert syndromes interlinked to their respective criminal overt syndromes; poltroon and coward to equal and stronger, depression, envy at others achievements, vicious scurrilous aggrandizing the “speck” in the eye of other nations, etc., which the felled individuals try to conceal by imposter superior compulsion, hate against others, showboating or prancing by trawling themselves around, turning meanly and nasty towards weak and defenseless, drumbeating magniloquent speeches or publications, racism towards the individuals or nations, to whom they are intellectually and/or culturally jealous at, pretentious behavior to show off self-esteem, displaying and/or practicing confident man, badmouthing and or labeling success of others (and other reverse advertisement stratagems), all in an attempt to conceal the planks the AustroGerm’s nationals are carrying in their own eye. To wit, whatsoever they are harboring within, they label and project it to the others in an attempt to have concealed their own inferior traits from the others. Your Holiness will be seeing the plethora of all these AustroGerm’s nationalistic dispositions in the public amenable sections to the indictments, as well as the reasoning for AustroGerm’s need for Guardian States due their non compos mentis.

Your Holiness will be witnessing, Holocaust Today undertakes every possible international and/or national measure against every individual, organization, complicit states, collaborators to the AustroGerms whatsoever and whoever, that there will be no parody more for life shows liken staged in Nuremberg Trials over years speciously again; no verdicts pronounced ostensibly with years of spurious incarceration terms handed down, while by then soon thereafter the criminals have been released from behind the scene again. There will be no more crying legends like Mr. Simon Wiesenthal rising the question how could ever be a justice without nemesis. The minorities and their offspring do have the obligation, as well all due civil and divine rights to oversee the execution of hanging offenders if requested for. The minorities and their offspring do have the obligation as well with all due civil and divine rights to put on petition to the courts, and upon approval, to step in as executioner if requested for. The minorities and their offspring have all the civil and divine rights to see in the eyes of the murderers when they smother justly, including to the other hanging offenders who committed crimes affecting the life time of the minorities more than 10 of years severely or collectively, referred to in the indictments as the Latent Murderers.

Your Holiness will be seeing, Holocaust Today undertakes every possible measure against any individuals individually and his/her family members that no AustroGerm can ever again suborn, bribe, incite, temper or manipulate the due proceeding and the execution of justice and nemesis.

The minorities and their offspring do have the civil and divine rights to inspect progeny of the AustroGerm’s criminals on the Schändler List up to seven generations in other countries at any time. In the same way the minorities do have all the rights to pursue injunction and compensation through international U.N. organizations like IMF, World Bank, bonds, monetary and gold reserves etc. as well as the national prosecutions to the AustroGerm’s state’s and individuals’s estate comprising, but not limited to, the assets, stocks, AustroGerm’s entities’ property, bonds, gold reserves, etc. whatsoever for compensation in commensurate portion to the extent of the AustroGerm’s fraud or crime.

Please let us recall, The Germ’s government had been conferred with full United Nation membership as of 1978, although this regime had not proven record of being cultured nor civilized yet. The U.N. members and Western Allies have been knowing that this animal regime had not adhered to the U.N. Universal Human Rights, one of essentials in the Western Culture at the time 1978, even not decades later. In actuality, the Germ’s regime has never

adhered to it to this day. The Germ's nation adhered "formally" to some of the many basic principles of the Western Culture in the context of European Union, e.g. the E.U. Charter of Fundamental Rights of December 07, 2000 and the E.U. Constitution of November 08, 2004, as these implied some of the sublime values.

However, both AustroGerm's regimes and the broaden amass of their populace have shelved these principles like many other values and laws on the shelf, particularly if it comes to their applicability for the minorities.

At the time, the Western Allies concluded the Germ's Final Settlement in 1991, the signatory states on the agreement likewise the members of the U.N. have been aware of these vacuities in the AustroGerm's nations and regimes. The West and East Intelligentsia have been aware of the unfit AustroGerm's regimes; they knew of the staunchly Europe's Cesspool, the asocial characters of the AustroGerm's populace; outlaw amoral nature of AustroGerm's regimes; their unreliability in their national and international treaties. The West and East Intelligentsia have been always knowing, the AustroGerm's famed Day-X, wherein the AustroGerm's have yearned to begin to become cultured, civilized and adhere to democracy is still in distant horizon beyond the reach, yet. To the contrary, the Western Alliance agreed to pencil agreements which in actuality doesn't bear mere substance to this day. Both Intelligentsia in East and West, have been knowing of the inhuman ordeal of minorities with these ever-known uncivilisable AustroGerms, yet, they condoned the facts; yet they connived to hold these AustroGerm's animals accountable without mere scruple, irrespective to the agonies of multitudes of minorities.

AustroGerms who committed crimes in business practices, economy, and finances are to serve their deserted community services in the countries and to the nations they have affected with their traditional vicious economy and sleight business "acumen". The time and vicissitudes where these sort of AustroGerms enjoyed blissful halcyon times at the costs of others (The AustroGerm's Leitkultur for "sauwohle Lebensführung", meaning "enjoying piggish-halcyon lifestyle") is over. The showtime of the Pride Pig is over in the arena now. Your Holiness will be surprised which numbers and evidences pertaining to the two-digit billions of dollars I alone furnish to the international courts in terms of corruption in business practices of AustroGerm's in economy. The betrayers cannot get away with it again like their fathers and grandfathers got away with their works and lifestyle.

Though the Austrian Inglorious Bastards signed the Universal Human Rights of 1948 first in 1955 formally, they have never lived up to it. Likewise, the Germ's Inglorious Bastards never signed it either. The Germ's signed implicitly and indirectly first in 2006, as it was stipulated by other EU nations in the Constitution of the European Union. Both Bastards have never lived up to these virtues because of their Kultural and Mentalität. We like to indicate with propriety, the essentials of Universal Human Rights of 1948 have been known to the cultured nations since long time before, e.g. Mosaic Laws, Cyrus Cylinder of 1,600 B.C., British Magna Carta of 1215, British Bill of Rights of 1689, and American Bill of Rights 1791, Minority Charter of League of Nations in 1920. The clamorous situation of multitudes of millions of minorities have been known to the Western Intelligentsia since many decades.

All the channels and venues of the captive minorities in the muzzle of these AustroGerm's regimes are choked off by appointed put up AustroGerm's elements and agents in the representatives for Human Right Watch organization, Amnesty International Organization, other U.N. organization and agencies installed in the AustroGerm's territory. The AustroGerm's elements are planted in this channels and venues to prevent that their crimes against minorities does not permeate to the other nations, to the AustroGerm's international business and economy, stock markets, monetary fund's institutions and gold reserves etc.

Your Holiness will see the discrepancy of their annual reports pertaining minority rights violations, murders, crimes, frauds etc. compared to the number of veritable reports which will be finished to the U.N. Courts of Justices by Holocaust Today later.

Your Holiness is shared with respectfully today too, that the AustroGerm's regimes even refrained from proffering the lecture civics (in Farsi: Madani, more correctly Taalimate Madani) to the AustroGerm's population to this day that is self-evident in all the civil nations' public school curriculum throughout the globe for centuries. The AustroGerm's do not know of the principals and roots of the Western Civilization, e.g. Cyrus Cylinder, Magna Carta, Age of Enlightenment, Conservatism, Republicanism, Rule of Law, execution of justice, One-Nation-Formation, popular sovereignty, political legitimacy, negative and positive laws, democracy, allegiance to the republic and allies, No Taxation without Representation, loyalty to economic, financial and military partners, and many other principals of civilization. To the stark contrary to all nations around the globe, the German dictionary does not offer synonym to the term "civics" in the year of 2018. It is put synonym to sociology, lecture for U.S. Citizenship and other extraneous vocabulary. I am compelled to translate it freely as "Zivilisationslehre", or "Zivilisationskunde"; literally the lecture to civilization. Your Holiness will see myriad of other all-convincing self-evident truths that reason the many provisions of the AustroGerm's Special Treatment also implies civics. Your Holiness will see the necessity to commence the Special Treatment with the George Washington's 110 Rules of Civility and Decent Behavior in Company and Conversation of 1747 from the AustroGerm's Kindergarten, schools, universities, parliaments, justice systems, all other government's agencies, all work places and elsewhere now (freely translated as "Anstandslehre"; the school lecture for civility). It will take generations over centuries until these AustroGerm's populace can adopt to ethics and integrate themselves into the decent cultured society and nations. It takes centuries until they can abound their inherently-genetic conman ship which they imposter themselves to other nationals when encountered.

In connection to these measures v.s., Holocaust Today recalls to the results of two thousands independent reports which was worked out and collected by over world's most skilled experts in the course of The Inquiry, the firmament of The Fourteen Points of the Wilsonian Doctrine to usher the continental Europe into the Modern Civilization and the facilitation of League of Nations with the provisions for minorities' rights and security had been already pronounced on January 8, 1918. The findings of The Inquiry had been implemented unto Austria, Hungary and Bulgaria in commensurate expanse, but not unto the Germany by far. The imbecile politicians had connived and neglected those findings and facts to such flabbergasting extent that we might justly presume they were suborned, perhaps by AustroGerm's tradition to palm money in pursuit of their famed Konto 5 Kultur. The upshot of their clinched corrupt deals has been the WWII, four other genocides, another economic disaster, eventually to the calamity of millions of minorities today. None of these Political Surgeries could transcend the AustroGerm's notion to the level of respectable ethics, mentality, culture, upright business practices and the civilization of the nations. Your Holiness will be seeing the intrinsic mindset and motives of the AustroGerm's propensity in the sections for the indictments, titled by "The Epitome of the Pride Pig prancing with swaggering gaits in the arena of nations and cultures; arena of laws and principals; arena of economy and finances; arena of politics and civilization; arena of ethics and religions; arena of military and defense pacts" etc. more extensively later ("das Prachtbild des Stolzen Schweins").

These incapable politicians had been, who attempted time and times again to lift the face of a pig to that of an eagle by facial surgery repeatedly to this present day. The ordeal of great number and of millions of disaffected minorities and all other affected nations around the globe every year had been preventable time and time again.

The conventional justice and fines charged to the illicit business practices in every other state has been never workable to the AustroGerm's tradition for fraud and illegal activities. In wit, the mini-fines have never deterred the AustroGerm's ethos in economy and finances, nor were ever a proper instrument to socialize the AustroGerms to the upright business practice ever. Your Holiness will be knowing of sub-sections to AustroGerm's Special Treatment wherein the AustroGerm's entities and individuals will be held accountable to the full-face contract value. They have elicited high amounts illegally, while inflicting other entities to the full-face value of those contracts. Like in other measures, Special Treatment will cull out these all, entity for entity; house for house; rat hole for rat hole; bank account for bank account, individual by individual, family members by family members.

How many trillions of Dollars do Your Holiness reckon, the nefarious AustroGerm's business practice, domestic as well international economy and finances scrounging unto the whole world, ravaging at great number of nations, particularly the G7 and G20 nations' entities and employees with their family members every year because of the AustroGerm's tradition in illicit business practices and economy with their broaden use of bribery, venality and other corrupted downright lifestyle? They have always incurred horrible damages to the other nations' business, economy and finances like bribing business partners, governments' officials with cash money, wiring money to the beneficiaries of business partners, contractual partners and government's officials whom they successfully suborn by their salacious lifestyle for generations. Your Holiness will be seeing which measures Holocaust Today furnish to the international courts of justice and in the national phase, how the Council of Federal Judges of every nation with their state attorneys, federal prosecutors and investigators (like in United States the U.S. Attorneys, U.S. Marshals) will be exposing these lifestyle by witnesses, exhibits and other evidences and how these measures operate to seize the last penny and cent out of the throat of these AustroGerms. These measures are referred to "Extraction of the gold teeth of others out of the muzzle of the AustroGerms", with the reference to their tradition to the tooth gold they had extracted of their victims and enriched themselves with. The extraction of gold tooth implies the international measures through monetary and currency funds, gold reserves, asset and stocks of AustroGerm's entities, as well as their national illegally heaped assets, reserves in every level down to their reserves for retirement reserves.

Similarly, Your Holiness might be flabbergasted who many thousands CEO's will be cull out before the justice alone, with how many of their beneficiaries, who were conveyed with illicit dirty money. These Biological Waste are marshaled also amid the Schädling List and Schändler List, who are culprit at great millions of people and their family members in par passu.

This is, the upshot of today that the AustroGerm's cesspool is widening; the width of the AustroGerm's Hole is increasing; the dissemination of endemic inheritable and contagious AustroGerMitis Bacillus against culture and civil lifestyle is dangerously reaching out to pandemic extent; the deep-seated infested AustroGerm Problem Zone in Europe and in the Western Civilization has reached such embolden unbridled audacity that for instance even the culture, civilization, prosperity, security of the United States is on jeopardy now. We will announce the names of these infiltrated miscreants and their family members individually to Your Holiness and to the U.N. Courts in due course, who are trying to implode the Western Culture from within. None of the individuals on the Schädling List, nor none of their family members on the Schändler List can ever escape by rat hole lines again, nor none of them will be receiving supports by AustroGerm's secret accounts money transactions, nor will ever be other proxy, offspring like Mr. Rat Cardinal Alois Hudal this time.

There will be no more Popinjays like Konrad Adenauer, Rudolf Kirchschräger and Other recreates that they can release the convicted criminals and murderers from behind the scene soon again after years of staged prosecution and trials completed. There will be no just call for justice alone as the legendary Simon Wiesenthal called out upon and met deafened ears time and times again. There will be no longer an Inglorious Bastard who portrays artfully by the genetic talents of his fathers and mothers a genuflection in the Warsaw Ghetto as though, while stabbing in the back of allies and NATO at the same time surreptitiously.

I testify to Your Holiness in this Christian testimony; when we saw the genuflection of Germ's Chancellor Willi Brandt in my youth age in the news in Tehran in early Seventies, I remember very well when my father said expressively and thoughtfully: "I think these Germans are now civilized". When the espionage involvement of this Inglorious Bastard surfaced against the Western Allies few years later and how this recreant stabbed the allies in the back, then I, too, remember his demurred face.

The Germ's confident man chancellor Willi Brandt showcased a genuflection in Warsaw Ghetto as part of his shenanigans on December 07, 1970, while he was stabbing the back of the allies according to the AustroGerm's genetic dispositions for treachery. These sort of AustroGerm's elements and their family members like this recreant will experience: "The games of confident men for so many generations is over".

German parliamentary members are shouting laud from the pulpit in the Bundestag today, to propose Eduard Snowden to the Nobel Peace Prize Committee for his act of perfidy against the Western Civilization and United States, because they pursue the tent for "My enemy's enemy" increasingly as ever before. Your Holiness too will be seeing our official request to the Nobel Peace Prize Committee to revoke the disgrace German Nobel Peace Prizes of Willi Brandt and Martin Schulz. These two elements were actively involved in the crimes against the Western Culture and Western Civilization, or have witnessed the crimes against the minority from their youth and childhood age, and exercised silence.

There will not be only 12 criminals subject of trials and hanged figuratively while at least 12,000 other hanging offenders were left on the lam materialistically. General Secretary Stalin propound justly and correctly to all laws and principals for the trial and executions of great number of criminal AustroGerm's Cowardly Wehrmacht elements ("Wehrmachtfeiglinge") who committed two genocides in the Russian nation in systemic methodical way, innumerable barbarian war crimes, looting all properties or caused to burn properties on Russian territory.

General Secretary Stalin's claim to have the deportation of four million AustroGerms for community service as part of the reparation efforts in the Tehran Conference was correct and vindicated by all laws and principals, along, even according to the Canon Law of Old and New Testament. General Secretary Stalin demanded this out of cognition because he witnessed the scenes firsthand and walked down the areas in person. General Secretary Stalin knew the amoral, asocial and unreliable AustroGerm's in their commitments and obligations first hand for number of concluded treaties with them. Russia had paid the highest sacrifice in both two world wars. General Secretary Stalin knew that the AustroGerms have always regarded the Western front in continental Europe and their nationals as foes ("Gegners"), while they have always regarded British, American and Russian as enemy ("Feind"), which is still in their mind to this day and hour. The expletive AustroGerm's mantra to "My Enemy's Enemy" is yet another beacon to this mindset, wherein they built "joint collaborations" at various levels today.

An estimated 100 millions of life fallen worldwide after the AustroGerm's regimes instigated a mutiny within the Russian Empire midst in WW I to demise the Russian Empire and installation of Lenin's new regime, and then orchestrating the Treaties of Brest Litovsk. The indigenous AustroGerm's nature was known by Russian politicians for all the times to the present. The miscreant AustroGerm's part of populace, who accused the Western Allies to have imposed harsh conditions upon the AustroGerm's by the operation of Versailles Treaty, will have years of time in the captivity and venues for their community services to study the terms of the Brest-Litovsk agreement that the AustroGerm's imposed forcibly to their ally Lenin when they could exercise force. The unbridled AustroGerms claimed for a total losses of some 1 million square miles of Russia's territory; a third of its population or around 55 million people (their future slaves for their economy in forced labor camps), a majority of its coal, oil and iron stores; and much of its industry. Lenin bitterly called the settlement "that abyss of defeat, dismemberment, enslavement and humiliation."

General Secretary Stalin possessed the same insight into the AustroGerm's criminal genre by genetic disposition when he claimed justly and correctly for deportation of the AustroGerms. General Secretary Stalin possessed the same cognition like Marshall the France Ferdinand Foch. General Secretary Stalin and Marshal Foch both have been cognitive to the necessary measures which Holocaust Today refers to Special Treatment today.

The correct Stalin's motion was bashed back by President Roosevelt and Prime Minister Churchill out of wit because they had not suffered from being first betrayed politically, then occupied on their own territory, by then being subject of sadistic effects of the AustroGerMania beset creatures. General Secretary Stalin's cognition and demand for deportation and community service of some four million AustroGerms as part of reparation package was later bashed down in the tidal time of the commencing Cold War too, although it was correct and vindicated under the purview of any national and international laws. These are just few more reasons for calamity of the minorities at the one hand today. At the other hand, these massive negligence of Western Allies have turned the AustroGerm's populace at large to dub themselves with supremacy because they were piggish smart ("schweinschlau davonkommen") to get away

with it and they could betray the Allies piggish-smart again. The upshot is that the AustroGerm's could not mature in to the maturities of the Western Civilization, Rule of Law and the just punishment indisputable to operable justice for more number of decades. The Special Treatment requires more centuries and decades for these sort AustroGerm's populace biological perceptions because the natural senses and apprehensions of the AustroGerm's broaden part of populace were left cauterized for centuries and decades.

The today's AustroGerm's members of the government e.g. justice department and department of interior and other elements do not sense guilt, shame, perceptions for honorable personality if they commit crimes against the legally and physically defenseless minorities and their family members. The AustroGerm's outlaw judges do not sense any hesitation if they dispense disproportional judgments against the minority with consequences to the minority's family members and in favor of AustroGerm's nationals, delay even simple clear cut cases for many years and support the embezzlement of minorities without mere scruple and fear to be prosecuted once a day, trialed, hanged and their families be deported to the country of victims for menial community service for generations. How many more centuries does Your Holiness anticipate, it takes these cheap sort of AustroGerm's biological pariah until they can adopt themselves to the maturities of civilization that "Justice delayed, is justice denied"? These creatures had been told expressively and timely; "Whenever the justice fails, the consequences are inexorable nor can ever be halted" ("Wann immer die Justiz verfehlt, die Konsequenzen sind weder abhaltbar noch in ihrem Ausmass einschätzbar"). These dastardly elements and henchmen of the AustroGerm's regimes shall experience with their own family members the same fate that they meted out to minorities and their family members. These scoundrel judges are also eventually the backbone of AustroGerm's rogue regimes, who diminish the elementary rights of minorities. Every single one of these animal judges will be gathered on the Schädling List, their family members on the Schändler list. Not even a single one of these offenders against millions of minorities shall ever again skirt the sword of Archangel Michael, not a single one can escape through the famed rat holes again. No one of these multi-million-dollar criminals can find hiding under the shadow of a dime by selling in to the international courts of justice their wanton spurious lawful-sounding casuistry and rhetoric again.

These progeny of Dr. Hans Lammers are at run in tens of thousands today because they were not held accountable ever; because they were not hanged for their crimes; because they could enrich and inherit wealth and assets to their family members without any apprehensions that their family members will be culled out too ("diese sind auch dran"). All the omissions of the Allied Powers, EU had just fueled the AustroGerm's sadistic traits at larger national expanse now savaging at defenseless minorities.

The hanging offenders and criminals who put the houses of minorities with their family members on arson to great number every year are rarely hunted down, more rarely legally prosecuted, and if legal trail staged behind closed doors, the criminals have been released shortly thereafter. There is no independent international human right, human rights watch organization or interpol organization going after the criminals, abduct them, pull them before the justice, and hand them, because the AustroGerm's Gestapo elements are running these organizations; they have put up on the top of these organizations their privy who chucks off any reporting to abroad, to the political, military, economy and finance partners of the AustroGerm's regimes. For instance, the Austern Mr. Popinjay Dr. Wolfgang Schüssel (an ex-chancellor and one of the elements on the Schädling List) sits on the boarding chair of the United Nations' WFUNA organization.

Your Holiness will be witnessing our comprehensive request to the international courts right on the outset of indictment for U.N. authorization to all NATO members to reoccupy AustroGerm's entire present day territory within 7 days, launching parachute landing units in less than 12 hours on all military installations and airports, if -God forbid- one single minority killed. Your Holiness will be seeing our request to the courts for authorization of NATO members (upon acceptance with the Russian and Chinese military) to impose AustroGerm's Total Isolation without limitation of time, if -God forbid- one single minority injured. Your Holiness will be seeing of our request to the international courts imposed to the AustroGerm's regimes for the exchange of one injured minority individual against ten AustroGerm's state and federal officials within 12 hours until the perpetrators apprehended and extradited to the international courts within due time.

Your Holiness is officially informed today that the violations, crimes and murdering of minorities in the AustroGerm's present day territory are intentionally hushed out by AustroGerm's elements. These reports are traditionally published only on the local news for one or two days if any and soon thereafter died off the domeicide deliberately. There is no report and free press to verify whether the victim's survivor were ever received with wergild compensation, typically five to eight million dollars per capita victim, or whether they were paid a mere hush money, if at all. Your Holiness will be seeing in the points of indictments how much a cat or a dog victimized in an event are compensated in the cultured nations up to millions of dollars. Your Holiness will be seeing also how many report of such events had been reported by AustroGerm's officials internationally like to U.N. Human Rights Organizations and how many such cases will brought up before the international courts subject to revisions and re-examinations. Your Holiness will be perhaps surprised how many AustroGerm's officials, judges, prosecutors, law enforce and other abettors, agents and their family members who had granted by one or other way impunity to those criminals or acted as legal fixers and agents to clinch hush deals will be brought up to justice since 1955.

This is just yet another upshot, resulted from the omissions of Allied Powers to execute the justice on the criminals and perpetrators time and times again. Those recreates left alive post May 1945 had donned themselves with new clothing and were fanned out to run the dystopian AustroGerm's apparatus by the matrix of their AustroGerMania and other reprehensive tenets by one or other way. These were who vectored the AustroGerMitis Bacillus to their offspring and subordinates, now outgrown ("ausgewuchert") to much greater number and much more apt at forensic criminology, mass foooling propaganda, choreographic showmanship, sleight artfulness in deceit, sycophancy, mesmerizing of other people and nations etc. Expressing in simple term, the today's AustroGerms are more than ever sinister how to utilize the shadow of a dime (25 cent coin in U.S.) to overshadow million Dollars of blood money and corrupted business practices.

As of now, some of the same tokens may be presented to Your Holiness shortly how the many other principals have been leaded viciously by AustroGerm's recreants, which were redefined in of the AustroGerm's nefarious fixity. In this regards we refer to the number of sections of the indictments how the AustroGerm's rogue regimes portray themselves in any international occasion if it is expedient to show off so. All the common principals in our meaning are downright subtly disfigured by the AustroGerm's barbarian regimes in an institutional catachresis like their perverse redefinitions of Sitte (ethics), Kultur, Mentalität, Zivilisation, Justiz, Demokratie, Politik, Regierung (administration of the Executive Branch), Parliament (Congress), Wirtschaft (economy), Finanzen, Rassismus, Sklaverei etc., which bears all entirely different meaning and operation in its chapter in the sense of the AustroGerms to that mutated kind, which we call it Humpty-Dumptyism in the U.S. English language.

The mind and mentality of the AustroGerm's is disfigured to such grotesque degree

that we request the international courts for the litigations to set Guardian States (“Vormundstaaten”) to represent the AustroGerm’s regimes and populace because they are mentally and culturally non mentis compos to stand the trials on their own. The international courts are not yet other arena where the Pride Pig might be allowed to swagger around, nor the U.N. Assembly of Nations provides them yet other arena to sell in themselves for more either.

In this sense and upon these truths, the Holocaust Today is not and will not commence the litigations in order to gain few inches (like introduction of democracy or observation of human rights for minorities), while the AustroGerm’s rogue regimes can keep taking advantage for miles any more. The Holocaust Today international litigations is not about a venue where the AustroGerm’s can trade casuistry of their train station fathers, nor any malarkey of their train station mothers or other phrases to sell in themselves for more either; it is not about how the AustroGerm’s regimes can preserve their wanton perversity and maintain by one or other way their scrounge parasitic tradition, figuratively referred to Trichinenkultur und Bandwurmer-Mentalität (Trichina Culture and Flatworm Mentality) at the costs of minorities, allies and all other nations in G7, G20, NATO and the U.N. respectively. The AustroGerm’s Perpetual Solution is by far better than their final solution, designed for them as irrefutable, irrevocable, incontrovertible, and non-contentious as we pursue this by the international and national interventions by the vote of all nations.

As these AustroGerm’s regimes and their populace at large disdained and disrespected all other nations, ethnicities and particularly the Western Countries in their dignity and the Devine Rights of all other individuals, it is candidly and justly to suspend the human dignity and the natural rights of the AustroGerm’s nationals to at least for the next 227, counted on the days retroactively from the day of August 27, 1791 and projected in the future effective the vote of the nations.

The dystopian mindset of AustroGerms has set further on to the very elementary stances and attitudes in a myriad of other cases. To indicate Your Holiness with yet another example, let us take the term “Stolz”. The term Stolz means in German mindset both pride and also proud, because they do not differentiate these two different stances by virtue of its ascribed meaning. The other German synonym to pride, the term “Hochmut” (hubris) is rarely in use unless Your Holiness meets it in the Proverbs. It is not dissimilar to meet flustered behavior of the AustroGerm’s populace when they showcase themselves in the international scene and scenery like in market places, stock markets, assemblies and other gatherings. Notwithstanding, that the pride as one of the Seven Inequities is regarded at high esteem by AustroGerms anyway, which has been always interwoven in the fixity of the Germanic Romanticism, however.

The AustroGerm’s poltroonery nature has been always a coherent indispensable trait of the AustroGerms towards equal and stronger throughout all the ages, specifically and best documented in the genocides and the theaters of the two world wars (“Wehrmachtfeiglinge”), while in a cover up action they exercise meanly nature against the weak and defenseless throughout all the ages equally. All these, in an attempt just to satisfy their inheritable and contagious nationalistic disease AustroGerMania. The world’s nations has been observing all these psychosocial defects and deficiencies for decades; the world’s nations has paid dear price to coup with these uncultivable AustroGerm’s nationals up to this day in various kinds and manner, and has not undertaken the necessary measures to barn in the Wild Pig yet. Therefore, Holocaust Today’s litigations are no longer about to see yet other AustroGerm’s showcases how they can sport themselves in yet other well-rehearsed pretensions as though civilized meanwhile or being capable to become civilized in the foreseeable time. In the Holocaust Today indictments, and in accordance to pagan Germanic Romanism with the

mentality for the pig adoration, these two natures are referred to cogently as “Feige Sau-Fiese Sau Naturell” that is to root out from the radix to the apex in the AustroGerm’s populace now.

In this regard, it is specifically pivotal to refer to the effects of the Pillnitzer Declaration of August 27, 1791 until this present day, when the antithetical operations of the AustroGerm’s rogue regimes has began at institutional expanse to combat the rise of Modern Civilization in the continental Europe right on the heel of the Polish-Lithuanian Constitution of May 03, 1791 and the French new constitution of August 27, 1789, which were launched just nearly twenty years after the Constitution of the United States had been ratified. The multiple millions of minorities testify to Your Holiness and to the whole world today that the intrinsic barbarian nature of these pernicious AustroGerm recreates against the principles of civilization, democracy, Rule of Law, free market economy and other principals has not been changed noticeably since the last 227 years. If we x-ray the mindset of the AustroGerms deeper, we can readily reaffirm the attestation of the Germanic tribes even before B.C., as the reconnoiters of the Roman Empire explored the Middle Europe for furtherance of Roman coalitions and debriefed to the Roman Senate with following findings from “Caesar’s Gallic Wars” sic:

“Julius Caesar described the cultural differences between the Germanic tribesmen, the Romans, and the Gauls. He said that the Gauls, although warlike, could be civilized, but the Germanic tribesmen were far more savage and were a threat to Roman Gaul and so had to be conquered. His accounts of barbaric northern tribes could be described as an expression of the superiority of Rome, including Roman Gaul. Caesar’s accounts portray the Roman fear of the Germanic tribes and the threat they posed. The perceived menace of the Germanic tribesmen proved accurate. The most complete account of Germania that has been preserved from Roman times is Tacitus’ Germania”.

Report to Roman Senate 51 BC

None of these Political Experiments nor other Hygienic Programs for the psychosocial treatment proved workable for enculturation, socialization and civilization of the AustroGerm’s regimes and their unreliable asocial populace. None of all the other attempts of the British MI 6 and the American CIA post WW II to implement moral compass, to form civil lifestyle, respectable economy and honorable finances has worked out to this present day either.

Likewise none of all other United Nations and EU statutes, these AustroGerms were gorgeously bestowed with many advantageous, though the AustroGerms did not accomplished character and aptness in the Western Culture. It is not dissembling that these AustroGerm’s populace has not produced any noticeable result. These all unmerited advantages to the AustroGerms failed utterly, because these programs had been all conceived of from the stance of maturated cultural and civil perspectives of the Western Civilization’s point of view, while the AustroGerm’s bone (“das Innere Gewebe”) has been far away from in terms of cultural, mental, social and civil maturities.

The officers of SS Totenkopfverbände (SS Dead-Head brigades) upholding pigs for their blessings "Schwein muß man haben" meaning; "You got to have pig [to be bestowed with success, blessing, fortune]", one of many abominable AustroGerm's dispositions.

Even though with the knowledge of this document at the hand attesting the AustroGerm's endemic mental and cultural incapacity, the Western Civilization performed number of futile ludicrous Political Experiments to this age of NATO and EU times and time again, namely:

1. The Versailles Treaty for Germany of June 28, 1919 and Treaty of Saint-Germain-en-Laye on September 10, 1919
2. The Potsdam Agreement of 1945 with the very contagious Austrian State Treaty of May 15, 1955
3. The so called Treaty on the Final Settlement with Respect to Germany on September 12, 1990
4. Various EU agreements, most binding the EU Constitution of October 29, 2004 at the Capitol in Rome

In simple terms, the Allied Powers and other EU nations attempted to project the Western Civilization unto the AustroGerm's nations, when these AustroGerm's are standing for centuries in behind. All these complaisantly civil, social, political, economical and judicial attempts had been ricocheted eventually on the threshold of the AustroGerm's ethics (Sitten), Kultur, Mentalität, asocial lifestyle, Politik, Zivilisation, and outlaw corruptive Justiz bitterly. The Western Intelligentsia knows it for all times that the fixity of the AustroGerm's Unkultur does not turn if the AustroGerm's dub it to "Leitkultur" (Guideline to culture). The Western Intelligentsia has always known that AustroGerm's indigenous dispositions could not turn to sincere mindsets by clothing them with fashionable Western apparels when they clinched one treaty after the other with the AustroGerm's regimes. The Western Civilization knows we cannot

build a house on the sand. Despite this fact, they cherished the AustroGerm's unfit on the bosom of the Western Civilization.

Holocaust Today proclaims in advance that the assembly of nations represented by presided voting Federal Judge of her respective nation will not be fooled by salacious gestures and rhetoric of the Inglorious Bastards once more time. There is no more a venue where the AustroGerm's recreants may suborn the U.N. Courts, judges, and others by use of their tradition to bribery, venality as they are doing to this day by their Konto 5-Program internationally and nationally at large. Holocaust Today message states with all propriety the times and seasons are over ("die Zeiten und Gezeiten sind vorbei"). The times, wherein the Wild Pig could pretend to sell in themselves for Tamed Pig by use of their genetically smarmily minx methods of their fathers and mothers is over (in connotation to the AustroGerm's pig adoration and the AustroGerm's high-tech products had been named as Wild Pig and Tamed Pig; Wilde Sau und Zahme Sau).

Holocaust Today international indictments do not set on to yet other futile Political Experiment for the fifth time. The Perpetual Solution to the AustroGerm's Problem is not a new surgical experiment to lift the face of a pig to that of an eagle, nor about any genetic modification experiments. The Holocaust Today's wit of criminal and civil indictments for the Perpetual Solution unto the AustroGerm's Problem had been pronounced in essence justly and correctly already more than two thousands of years ago.

The delusional imagination for a minority party in the present day Kultur and Mentalität stance of the AustroGerm's uncultured populace, which in actuality stands on the verge of 227 years ago, can never be thought of either. Such political move can only prove workable if a profound foundation of democracy, Rule of Law for justice and nemesis, one-nation essential, civil sociable and civic society, capitalism, free market economy mindset already is substantially present. Such maturities cannot be presumed onto these AustroGerm's criminals by mind in the foreseeable two centuries. The present day mental milieu of the barbarian populace of AustroGerm's cultural and political scene would emplace the minorities with a minority party at the farthest corner of a spurious parliament, wherein the majority of AustroGerm's representatives traditionally either smoke, snuff, attend drunk or read newspaper in the parliamentary session or are absent when the minority party raise the voice and opinion. This moot option cannot be open to any consideration with these sorts of biological sociopathic AustroGerms by genre. By contrast, minority party will give these ever unreliable amoral AustroGerms the way for dodging, whereby they can keep exercising their tyrannical asocial nature in pursuit to their tenet for divide et impera Politik to minorities for more other decades and centuries to come.

To present Your Holiness an indigenous x-ray pattern of these Sodomian perverse AustroGerms today, please let us post out the locution of AustroGerm's Think Tank masterminds overboard today as they stay laudly: "The AustroGerms are not a vegetarian lion that may lay on the verdant meadow beside a lamb and enjoy the sun". Please, Your Holiness may reckon, how many more centuries will take these populace until they can assimilate themselves to the Western Culture, hankering with other cultured nations at the day when a child will lead superbly the lamb and lion in tranquility? How many more centuries will take AustroGerms for Golden Rule?

We recall for Your Holiness' Papal Encyclical; since the days of Great Flood, the day of punishment for Sodom and Gomorra, over the Age of Enlightenment to this present day and all the future age to come, we have been matured in the Western Culture and keep growing in further on. For how many more millennia or centuries does Your Holiness suggest we shall grant the civil maturities unto these biologically and mentally undeveloped pariah? Attesting with the solemn awareness of AustroGerm's endogenous ailments,

the formation of a minority party would place the minorities in a more derelict predicament, which can be metaphorically referred to as falling from the pan into the fire.

Please let me express myself by a more vivid example. Sometimes in the mid Nineties the then time two terms Republican governor of the State of California Mr. legendary Arnold Schwarzenegger, who was born in Austria and spent his time until his age of 21 -naturally as an Austrian nationals with no tights to minorities and stayed in steady touch with Austria for many years in continue- stated out of cognition in a public auditory once that he has visited the culture and civilization first in the United States. Though this was received with displeasure in the AustroGerm's society at the time, I testify to Your Holiness to have attained the same warranted cognition after living many years in the United States society. We both experienced the differences between Kultur and culture, Zivilisation and civilization vividly. For, it is a huge difference to stay proud of a nation, culture, country, governments which have set milestones in mankind's civilization and in turn, the respect we pay to our flag, and the Republic for all honor attained by achievements; all accomplished by God whom we trust, and our gratitude in reciprocation with our prayer "God bless United States" compared with those AustroGerm's tenets as they inebriate themselves with pride, hair color, blood and soil, 99-Ballons for nationalistic slogans and jingoistic flag adoration, all based on what one has been given with instead attained. Mr. Arnold Schwarzenegger does know too that his children are regarded as bastards in the degenerate mindset of the AustroGerms. By sharing this real actual event, Your Holiness might be presented with yet other presentment that might confirm to Your Holiness the Papal Encyclical for the international indictments in support to the minorities.

In the course of two millennia the Roman and the Greek culture and civilization could not reach out into the boarders of AustroGerm's territory and reshape the tenets of AustroGerm's nations. Over 16 centuries Christianization could not convalesce the AustroGerm's from their endemic AustroGerMania. Over 70 years intense nursing of British MI 6 and American CIA programs and measures could not domesticate the AustroGerms into the comity of cultured nations. Neither other European nations could close the AustroGerm's Hole midst in the Europe. By contrast, the AustroGerm's Hole ("das AustroGerm-Loch"), the Europe's cesspool is widening now again, jeopardizing to infest the whole Western Civilization with their pernicious AustroGerMitis Bacillus.

Holocaust Today does not posit new laws and principals how to advance the AustroGerm's Special Treatment essentially either. The laws, principals and concepts how to extirpate the endemic chronic AustroGerMitis Bacillus has been always known and proved workable by execution of justice and operation of nemesis. We have been commanded with these laws as early as the Seven Laws of Noah was enacted, following with Abraham's Rule of Law by intervention and nemesis, the Laws of Moses, the Laws of Christ like as cited above, e.g. in the Book of Revelations and the entirety of Canon Laws, the Common Wealth Laws, up to the present day international laws. We have been successful in protection and preservation of the Western Civilization because we never cede on to tyranny, and we never forgo the liberty God bestowed us with. Since the day, Abraham intervened our stand against the tyranny has been always; "We never give in, never, never, never".

The AustroGerm's Think Tank masterminds, political parties, dog whistling media etc. practices the very same Haji Wilhelm II and the Nazi mass-psychology manipulative practices today. These are on the exercises on the rallies, parliaments, media etc. all meticulously wrought out to infest the minds of ever uncivilisable AustroGerm's biological life beings as it was practiced at large in the past. Because of the vacuity of the AustroGerms cultural and mentality backbone, the AustroGerm's populace are readily susceptible to absorb lies,

myths, hoaxes of various kinds and buy in to the mega-profile sinister schemes.

Likewise, no one can preach the Gospel to the pigs. The AustroGerm's innermost intention has been always that: "The pigs listen carefully to the Gospel first; they listen to your religion, culture, justice, laws, mentality, civilization, democracy, etc., then soon thereafter, these pigs upending these virtues to their Germanized version for Religion, Kultur, Justiz, Mentalität, Zivilisation, Demokratie etc., which are all entirely different as one had preached them. The kind, we refer to degenerated version. The AustroGerm's policies are to this day: "They turn themselves and stab one in the back whenever they get a chance to do so". The recent revelations pertaining the Hapsburg Group projects just a mere millimeter of the ice berg's tip. The undependable AustroGerm's recreants ex-chancellor Gerhard Schröder and ex-chancellor Alfred Gusenbauer were on the Schädling List since late 2015 beside of number of other elements, anyway. It shall be highlighted that it was the same thug Gerhard Schröder who pardoned the creature Horst Mahler, a terrorist, murder, Holocaust Denier and one of the masterminds in AustroGerm's far-right Nazi scene.

The cardinals, bishops and pastors whom Your Holiness dispensed authority and ordained in the Catholic Churches in the present day AustroGerm's territory have been knowing all these anti-Christian practices at every strata of AustroGerm's regimes, society, economy etc. They have witnessed all these crimes against the minorities firsthand from their childhood in Kindergarten, the school, neighborhood, villages and cities. Did they connived all these and Your Holiness were not reported because the Catholic (and also Lutheran) churches with their pastors are ultimately paid by the AustroGerm's regimes? Did they ever tell Your Holiness how much of the pledge had stemmed from the blood money, embezzled money, corruption money, usury, secret deals with enemies of the Western Civilization and sanctioned rogue countries, and other money was seized illegally from the minorities? Did they ever tell Your Holiness, how much of that pledge were taken from the bribed international deals of AustroGerm's economy? They have known of the burning minorities, children, elderly family members of the minorities and other crimes and felonies perpetrated upon them in their parochial district. Did the Catholic clergy of AustroGerm's present-day territory reported anything of the AustroGerm's murderous crimes to Your Holiness?

Had been a just mere concordance sufficient, though "mit brennender Sorge" conveyed? Had a mere formal writ prevented the barbarian uncultured AustroGerm's murderers by their pathogenic proclivity of their criminal genre from the WW II, four other genocides they have perpetrated out of their firm psychopathic convection in addition to great number of victims in the Western Civilization? I uphold, amid the victims were also thousands of Catholic and Lutheran priests. It was indeed all preventable. The dastardly AustroGerm's hardship, the minorities are suffering from since seven decades stems from the same psychopathic-genetic proclivity of the AustroGerm's notion that had been first diagnosed by the Roman Empire's Senate more than two thousand years ago. Post seven decades of enculturation, socialization and civilization programs of British MI 6 and American CIA undertaken, the AustroGerms still are struggling to integrate in the Western Civilization contumaciously.

Please let me recall to the AustroGerm's methodical assistance in politics, finances, military advise and weapon supply along with management in propaganda to the rise of communism since October 1917. This began first with devastating cultural and economical effects in Russia, then soon around the globe with the estimated 100 million people paying their lives for the AustroGerm's dysfunctional traits and indigenous idiosyncrasy ("die AustroGerm's wahren Wesenszüge"). None of these crimes had been ever justly and correctly responded by the execution of the justice through the operation of nemesis yet. These all kind of connivery has been conducive to the ordeal of multitudes of millions of minority to this day. Was it the Treaty of Brest-

Litovsk for the acquiescence of the Russian territory reciprocated by Lenin to the AustroGerm's regime worthy for, which eventually was smashed and restored by the victory of the Western Civilization in the West front?

It was His Holiness Pop John Paul II who commenced the attack on the communism super power from the first minutes of his tenure right from the balcony of Sankt Peter to the greetings audience and to the world. His divine undertaking was soon responded by the alliance of the Western Civilization, most importantly Polish Christians, British Prime Minister Margaret Thatcher, American President Ronald Reagan, and many others that turned peace and tranquility to the good of great number of great number of millions of people. He did not sit back in complacency nor ceded on to the unjust nor forged a compromise with tyranny, nor gave in to the enemies of the Western Civilization. In all likelihood, because he experienced unjust and tyranny on his family members and own too. His Holiness Pop John Paul II didn't know tyranny from hearing or from reading about the tyranny.

To the stern contrary, these ever-known uncultivable uncivilisable nations have outgrown ("ausgewuchert") meanwhile to the mega-high-profile criminals and are more than ever before apt to utilize forensic science, mass-psychology, mass-sociology, mass-foooling (v.i. for elaboration), surreal propaganda domestically and abroad, mega-consummate in mass-beguiling internationally etc. for their criminal and fraudulent lifestyle. The upshot at the present time is that the AustroGerm's licentious lifestyle renders great number of trillions of Dollar economical damages in addition to other indelible cultural inflictions to all other nations every year, just to mention economical and cultural impacts.

Although all the above points will be expounded extensively in the course of the two international indictments, which corroborate hundreds of counts of indictments, in number of sections and reaching to thousands of pages, Your Holiness will meet millions of testimonies of the people living in AustroGerm's reign now, or had used to live, or furnish their testimonials by their posterity and relatives.

Please allow us to apprise Your Holiness with just few other points exemplarily that Your Holiness might gain a penetrative insight through the AustroGerm's masques of their multi-faceted salacious self-presentation on, how they operate by harnessing witch-hunt propaganda, mesmerizing and deceiving other allies and business partners, all plain dispositive to endemic AustroGerMania. We all testify the veracity that these AustroGerms of today are the same who had been diagnosed at national expanse more than two thousands of years ago as uncultivable. We all testify the veracity of warnings to any individual or any nation or government according to Numbers chapter 28, announcing clearly: "If you disobey to the principals and laws I am giving to you today, you will be felled with psychosis".

Lo and behold now, many centuries post the Christianization of Middle Europe, then over four centuries passed since the Age of Enlightenment and yet this sort of AustroGerm's biological life beings are still not domesticated in the comity of the Western Civilization. I recall to Your Holiness and the entire world that none of the nations had been more treated with mercy and gorgeous supports various kinds and extent than these AustroGerm's regimes and nations repeatedly. No other nation has been conferred with forgiveness repeatedly although no upright

repentance ever confessed. No other nation has perpetrated such great abhorrent crimes and heinous frauds around the globe repeatedly either.

No other nation since the inception of mankind's civilization bears so much blood on the

forehead as the AustroGerm's nations to this very day; not even the utmost pestiferous bacillus, bacteria or viruses has caused that much deaths; lifetimes, economical and financial damages; no other military of any nation since the inception of mankind's civilization disgraced the honor of military service men and veterans than these AustroGerm's biological pariah has done to this very hour Your Holiness are in receipt with this Christian testimony. No other nation around the globe since thousands of years have been more conferred with social, militarily, economically, financial aides and supports repeatedly, like the reductions to the reparations payments of Versailles Treaty because they could sell in themselves for more with their tradition for Poor Pig Play ("arme Sau vorspielen"), the famed pretext of being unable to compensate while from behind the scene, they had invested in huge amounts for the rearmament in preparation for the next world war (Treaty of Rapallo, April 1922). No other nation has been that much supported with judicious pardons in response to their uttermost animal character, murderous traits, tyrannical propensity to usurpation time and times again. No other nation, ethnicity, tribe has ever displayed psychopathic and sociopathic symptoms at national expanse since the mankind's creation, not even to the ballpark of these AustroGerm's pathological rabid animals. No other nation has been protected politically, militarily and financially repeatedly again, to name it explicitly through the first loans post WW II, Marshall Plan, London Agreement, NATO, and up to the recent and present day EU and other international treaties, accords and agreements, yet then rendered that much treasonous counteractions to her supporters time and times again.

Yet then in defiance to all these favors, the AustroGerm's rogue regimes and their populace at large are inflicting ceaselessly damages to the Western Culture and Civilization by overt and or covert antagonistic actions. No other nation who has been received with supports -even in fractions compared to that to the AustroGerm's nations- has been ungrateful like these ingrate AustroGerm's regimes and populace, who turned soon back to the allies and attacked them by various surreptitious treasonous ways and manners to subvert the promotion of democracy. No other nation and population has been ever dubbed with that much mollifying phrases, menacing addresses, euphemism in calls, sanctimonious titles, disingenuous cognomen, all in blatant hypocrisy like these AustroGerm's creatures. No other nations has ever produced and harbored such great tens of thousands hanging offenders, and hundreds of thousands other miscreant criminals, deplorable felons and other recreants since the inception of human civilization on the run just on this present day, as these two rogue regimes and their egregious populace at large.

No other nation nor government, nor population has been hostile to the Western Civilization and Culture persistently in terms of contravening operations and also in terms of the period of time in the history of mankind like these AustroGerm's creatures at large operates today against the democracy, Rule of Law, upright business practices in economy and finances since the commencement of the Age of Enlightenment and Modern Civilization of nearly 1605 to this present day.

No other nation, country, nor any other governments in the world exercised to such degree adoration towards the Seven Vices, aka Seven Inequalities pride, avarice (cupidity), envy (vainglory, jealousy), wrath (hate, misanthropy), sloth, lechery (infidelity, pathological penchant to treason), and gluttony (selfishness), all figuratively ascribed to as the seven traits of the pig, now at the national and institutional expanse and degree like the AustroGerm's rogue regimes with their nefarious populace at large exercises it for ages. It is also not dissimilar, whence the pig adoration takes such instrumental position in the AustroGerm's Germanic Paganism like in their ethos and mentality. Some linguistic usage might give Your Holiness an insight into the mind and ethos of these AustroGerms like: "sich Sau wohlfühlen" (to feel themselves well like the pig;

enjoying halcyon time), “Sauschlau” (piggish smart; brilliantly smart, highly intelligent), “saugut” (piggish good; exceptional, excellent), “sauschön” (piggish beautiful, pretty like pig), “saustark” (piggish impressive), etc. From these AustroGerm’s points of view the derivate “Feige Sau-Fiese Sau Naturell” was referred to, meaning literally Poltroon Pig-Meany-Pig-Idiosyncrasy, wherein cowardly person vents out his deficiencies by exercising violent meanly attack or insults towards weak and defenseless. This behavioral attitudes are best visible in the documentary footages of Mr. Popinjay Kaiser Wilhelm II and then his “younger brother” Mr. Popinjay Adolf Hitler. The AustroGerm’s epitome Mr. Popinjay Adolf Hitler demonstrated these scurrilous traits exemplary by declining to award the gold medals to American athlete Jesse Owens in the Berlin Olympic of 1936 with hundred thousand jubilant German spectators advocating to his pathetic exposure alone. Like the athlete Jesse Owens had been disrespected like the two other staring American Jewish athletes because of their capacity more than everybody else, the athletes of the minorities in all strata of the AustroGerm’s society and economy are facing harsher reprisal that also stems from inferiority compulsions and intellectual jealousy of these zombies. Out of their emptiness, they cannot cherish men of substance; out of their deprived backbone in mentality; they imposter choreographic rehearsed show-off; out of their inferiority in character, they imposter themselves as superior; out of the vacuity in mind and spirit they have fabricated lies, myths, fables, ruses; out of their inferior Kultur, they are jealous at the cultured, prosper, successful, and intellect nations; out of their incapacity to run upright business practice in economy and finances without corruption, bribery, etc. They cannot see the prosperous civil societies and nations. Your Holiness will be seeing the Holocaust Today legal measures against these business practices and how the International Board of Trustees will illicit from the AustroGerms the full-face contract value of every corrupted deals and reinstate it to the victim nations, entities, and individuals.

Because of all cultural, mental, intellectual and ethical deficiencies and defects of the AustroGerm’s regimes and the broaden part of their populace, the elites of minorities are driving cabs while the AustroGerm’s cab driver attain the chancellor office, secretary of state, member of their parliaments, CEOs, CFOs, and other positions. It is the intellectual and professional jealousy of the AustroGerMania that drives these lowlife human beings. These are few more facts to Your Holiness, that distinguish the Sodom and Gomorra of Europe and the Western Civilization as whole. These are the real x-ray pattern of the AustroGerm’s Hole. These all shall not surprise Your Holiness; the Abraham’s descendents are standing in a vivacious war against the tyranny, usurpation, bacillus of all sorts, which we always referred to collectively the power of darkness, or in today language, the Axis Powers.

The mankind has been warned for more than two thousands of years: “You are not to throw your pearls unto the pigs, then the pigs will tread these with their feet, then they turn themselves back and bite you”. No other nation was ever granted with all these favors, supports and protection though all unlawful and incorrect like these AustroGerm’s rogue regimes and nations since the inception of the Western Civilization by Abraham for nearly 3,700 years ago.

No other government and nation since the creation of mankind has been that much pathetic in reign nor any other nation has been this much scurrilous like these AustroGerm’s nefarious populace at large if we zoom in all governments and nations around the globe’s two dimensions, if scanned meridian by meridian and grade by grade encompassing all the nations, ethnicities, tribes and communities and then in the third dimension for the time since 3,700 years ago to this day, and alike in the fourth dimension comprising all other biological life beings like the school of fishes, herds of animals, socially living insects like bees and ants, including microorganism like microbes, lethal bacteria and pernicious bacillus, has been causative to that much cause of deaths.

Notwithstanding the Black Dead and Spanish Flue had not reached in to the scale of the AustroGerms. No nation, folk, tribe nor any community of greater than 5000 people since the recorded history has ever reached to the contaminating level of the AustroGerm's socio-mental diseases at the national expanse as these AustroGerm's populace exposes through all the overt and cover up syndromes of AustroGerMania disorder; nor any community of people had been ever felled to the brim with the contagious and inheritable AustroGerMitis Bacillus like these AustroGerm's regimes and populace expose these since the coronation of Mr. Popinjay Kaiser Wilhelm II on July 27, 1888 to this day. In the same observation, no other nation has effected damages to the culture, ethics, economy, finances, military and the whole civilization, not even communism did that much casualty, like these AustroGerm's are rendering it to this day.

These “nones” and number of others are extensively described in the context of the two indictments' section referred to “The Nones, the Now and the Exigencies for AustroGerm's Special Treatment”.

These aspects and other similar observations above, are collected in the comprehensive Interrogatory Request for Response, in the section titled with the “12 Uttermost Questionnaires” e.g. for identification of the uttermost scurrilous, asocial, amoral, unreliable, pernicious, antisocial, biological life being.

Your Holiness, too, will be witnessing the response of the Interrogatory Questionnaires and Documents of the AustroGerms to all these Nones. All AustroGerm's authentic and genuine cognomens which reflect the endogenous character of these sort of biological human beings (“biologische Menschenwesen”) as well many others Questionnaires, which are first to be responded by the AustroGerm's Prominenz. In leaning to the famed Germ's Manifesto of 93, the requested AustroGerm's Prominenz are in number:

1. Manifesto of 93-by-1000 pertaining to the response of 93,000 Germ's Prominenz
2. Manifesto of 93-by-100 pertaining to the response of 9,300 Auster's Prominenz
3. Manifesto of 93-by-10 pertaining to the response of 930 AustroGerm's Prominenz in the scene of Far-Rights, neo Nazis elements (“Elemente”), and other masterminds, their think tank organizations and other Prominenz and activists as the Holocaust Deniers, anti-Semitism and anti-Muslim activists, xenophobe spearheads, 9/11-conspiracy purveyors and other heap of sort people, who are touting for the Alternative Kultur and Alternative Zivilisation, Fourth Reich Dreamers, etc. today.

These sort of AustroGerm's Prominenz respond to the Interrogatory Questionnaires before the entire AustroGerm's populace perform their individual responds one-on-one under the purview of United Nations executed census.

In unreconstructed subversive pursuit to their Nazi Butcher Klaus Barbie's tenet for “My Enemy's Enemy” the AustroGerm's anti-civilization, anti-democratic and far right parties on the present day's AustroGerm's regimes since decades have received huge amounts of funds by the enemies of the Western Civilization like Saddam Hussein and his sons and their proxies even after they were handed down with the dead sentence; namely the participating political parties and their representatives in the AustroGerm's congress, the Alternative for Germany and the Freedom

Party of Austria. Here Your Holiness visits the truthfulness of the message: “Lo and behold, the dog is guzzling again what it had vomited before and the pig is willowing happily in the mud again after it was washed”.

We recommend respectfully for Your Holiness’ attention to all perfidious hostility of AustroGerm’s regimes and populace to the indictment’s sections pertaining to the AustroGerm’s contempt to the Western Culture, Western Civilization, to United Nations’ Organizations, Allies in NATO, EU, G7, G20 in particular.

One of the largest sections in contempt to Western Allies is compiled under the title “The Epitome of the Pride Pig Prancing with the Swaggering Gait in the Arena of Military and Defense Alliance” and the section for total demilitarization titled “Defang the Vampire” either one with it’s two-faced perspectives because of the many AustroGerm’s treasonous hostility to Western Alliance in military defense and military actions since the start of the Cold War in 1945 to the present time.

Since May 1945, the Western Civilization has been always committed to the propositions of liberty, justice, Divine Rights, free market economy, capitalism and democracy. This stance has demanded many militarily interventions by combative actions to defend and to preserve the Western Civilization against the enemies in all continents, which in turn, demanded huge number of honorable fallen military service men, millions of honorable veterans, cooperation of millions of other military and civilian personnel, all contributed by great number of respectable families and at least but not last trillions of Dollars in expense, all merited by upright business practices in the Western Civilization.

To the contempt to our sublime values, these AustroGerm’s Poltroon Pigs-Meanly Pigs by idiosyncrasy, the famed cowardly Wehrmacht chickens (“Wehrmachtfeiglinge”) has steadfast declined to participate in the war efforts of the Western Allies actively to this day. The AustroGerm’s Inglorious Bastards could have sold in themselves for more by the spurious pretext abroad and to the NATO Allies “The AustroGerm’s populace had become irenic and pacific meanwhile” and “No AustroGerm man or woman will participate in a war effort”, while the indigenous mindset (“die wahre Gesinnung”) of these AustroGerms had been always something sternly different in their ethos. This has been also the common perception of the Allies’ perspective while looking at the Pride Pig in the arena of the military.

Looking it from the Pride Pig’s perch however, the scene looks entirely different. The AustroGerm’s flagitious Pride Pig’s ethos has always regarded all other nations, populations, races, and ethnicities as inferior throughout centuries to this very day incessantly. The supreme Pride Pig doesn’t see any reason to endanger his “biological supremacy” to lose her life nor being harmed by any other “inferior service men” whoever, disrespecting whatever the Pride Pig is benefiting from the Western Civilization’s values and principals, and whatsoever the other nations has brought about to the defense of the Pride Pig’s territory (like in West Berlin Crises). Likewise regardless how much the Pride Pig takes advantages in politics, economy, finance and else in the Western Alliance. This is the endogenous x-ray pattern of AustroGerm’s animals. If Your Holiness penetrate to their pathogenic nature and dissect their endemic Kultur and Zivilisation, everything is translucently visible. A purportedly peaceful heap of biological humanoid would not need to have Uranium and Radium enrichment plant Wackersdorf, designated to build nuclear weapons nor would ever treat their legal minorities to such uncivil uncultivable ways for seven decades either. This is one of patently perfidy of the AustroGerm’s parasitic nationalistic ethos that stems from the deep-seated AustroGerm’s “Trichinenkultur” und “Bandwurmermentalität” (AustroGerm’s trichina culture and flat worms mentality).

The AustroGerm's tradition to treason has been always known to the Western Allies too. The Western Allies know of treasonous AustroGerm's recreants amid themselves, like the treason of creature Mr. Popinjay Charles I & IV (the successor of Mr. Majesty Pighead Kaiser Franz Joseph I) against Kaiser Wilhelm II, and later the myth "the German had occupied Austria prior to commencement of WW II", which ended up in the utmost contentious Austrian State Treaty of May 15, 1955 (vide further in section of the indictment for nullification of this egregiously mendacious treaty later). The German term for sycophancy "der Falsche Hund", literally the False Dog is ascribed by Germans to the Austrian twice since.

The treasonous nature of the AustroGerm's is best available currently on the account of epitome Mr. Popinjay Adolf Hitler, he is the best specimen. He betrayed his allies, generals, his early entourages, his most closest friend Ernst Röhm has been executed by his command under political pretext [they addressed each other as "du", the German familiar form of "you". No other top Nazi leader enjoyed that privilege, nor no one called Hitler by his first name "Adolf" or his nickname "Adi"], then his deputy, and at last, like many others, their own wife and children. The creatures who commenced in their wanton Meanly Pig nature the Second World War in full armament and multitude of millions soldiers armed up to the teeth with weapon and refined military technology, culprit at the life of great million people, were the utmost poltroon creatures when it came to their own end. The same AustroGerms committed atrocities unparalleled in all mankind's civilization, yet then they discard their commands, surrendered their armies in full armament first when the noose of justice was close to their own neck, in west, east and in the south fronts e.g. Gothic Line in Italy.

These AustroGerm's recreants have attacked other peace-minded nations off guard, exercised their Meany Pig by their genetic genre unto the armies, civil defenseless nations, deported and expropriated over 45 millions to their deadly Labor Camps, exercised mass despoliation up to the household's goods and the gold teeth of victims of the gas chambers, exhumed bodies in cemeteries to take jewelry and gold teeth, yet by then, they even betrayed their own wife and children. Even in the last hours and minutes, these cowardly pigs did not take arm to defend their closest friends and loyal officers, not even their own wife and children. All these scurrilous AustroGerm's nature had been known to the Western Allies and Western Intelligentsia times and times again, up to this present day Hapsburg Group activities with AustroGerm's ex-chancellors involved under investigation with allegation for conspiracy against the allied United States government and United State nation today.

The Allies knew of AustroGerm's unreliable and treasonous nature right on the onset to rearmament of infamous Wehrmacht's elements, when they agreed to the ruse of "honorable Wehrmacht" and disseminated the myth of "clean Wehrmacht" in the Himmerod Memorandum of October 1950 and then forged the alliance of convenience in the tidal of Cold War. Today, the NATO and Western Allies know also of the moocher nature of the AustroGerms, how they extricate themselves piggish-smart ("sauschlau") by use of their genetically disposed rhetoric and gestures (inherited from their multitudes whore fathers and whore mothers, the famed Train Station Boys and Wives) from active duty contributions at the costs of other Western nations, while enjoying protection and benefits of the Western Civilization since. The AustroGerm's trichina-Kultur has been never something else. The multitudes of millions of minorities are exacted by the very same AustroGerm's trichina-Kultur and Flatworm-mentality since 1955. Would Your Holiness reckon for how many lives, veterans and financial contributions are these AustroGerm's nationals indebted to quit to the Western Allies in the near future? Nothing is a mishap; nothing is an one off, the mesh of AustroGerm's DNA structure has engulfed every strata. The nature of the AustroGerms "beggars description" still to this day. Indeed, it is still not easy to express these proclivities linguistically.

In the context of Special Treatment they will be held accountable for all of their slushiness and delinquencies in their military debts dues to Western Allies, retrospectively effective May 1945 to the presence. Likewise in other cases pertaining to the claims of the minorities for their rights, dignity, the acquiescence of territory, compensations to the minorities and to all other nations in response to AustroGerm's illegal and illicit business practices in economy and finances, all down to the penny. In this regard Your Holiness will be seeing their obligatory dues of AustroGerm's army personnel mandatory mustered for six years, put under command of NATO commanders and officers, counted on the numbers of soldiers, days in combat, number of AustroGerm's fallen military service men and veterans commensurate to those of honor in the Western Alliance from May 1945 onwards. These AustroGerm's poltroons will be matured in to the maturities of honorable military valor; though it takes many decades for Special Treatment until the poltroon-meanly Wehrmachtfeiglinge can be "equalized" (Gleichschaltung) to the virtues of prowess of Western Culture.

It takes for Special Treatment decades and centuries until these AustroGerm's populace can be grafted into the stem of the Western Culture; indeed it takes Special Treatment decades and centuries until these AustroGerm's can produce the fruits of Western Civilization. Likewise it takes decades and centuries until these AustroGerm's can evolve biologically and mentally into the upright business in economy and finances. The Hygienic Program for asocial and unreliable AustroGerm's cannot yield over a short period of decades. For, by virtue of falsely and manipulatively translated versions and verses of the Old and New Testament that left multiple millions of these AustroGerm's populace, fooled in amass, even God is unable to perform miracles unto these creatures.

It takes Special Treatment many generations for abolishment of the Whore Life of train station boys and train station wives until they can integrate in Western Culture; it takes many generations for the metamorphosis of iniquitous Pig Life ("Sauleben") to that of virtuous Eagle Life of Western Civilization. It takes Special Treatment for the AustroGerm's deplorable populace many generations until they can abandon all their fantastically myths, lies, ruses and assimilate themselves to the real virtues; it takes many generations until the 99-Ballons are casted out from the empty skull and spinal of AustroGerm's broaden portion of population and to fill the skull and spinal with the substance of the Western Culture; it takes all many generations as long as they have built up their egregious Kultur and Zivilisation for more than 227 years. The day, on which the Germs rename the Brandenburger Gate to the German Gate to Ignominy (das Deutsche Tor zur Schändlichkeit); the city of Vienna be renamed to Schandburg (Ignominy City) out of their conviction, that day hallmarks the first day, wherein the AustroGerms begin to become growing in to the Western Culture genuinely. From that Ground Zero these AustroGerm's stop to monkey up other nations and individuals, when they no longer pose themselves with their inherited whore style of their fathers and mothers at large, the famed Cheapies. That very same day will be the first day, the zombies begin to evolve ethics.

This veracity shall not surprise Your Holiness. The roots of AustroGerm's barbarism, their radix to tyranny dates as long as back to the rise of Age of Enlightenment in Europe from ca. 1605. The hostility against popular democracy, Rule of Law, Conservatism, Republicanism, Divine Rights and many other virtues like liberty, free economy, free press can be best witnessed by the life and fate of enlighten German Samuel von Puffendorf (1632-1694). He is one of the few Austrian and German dignitaries from the perspective of our values. The AustroGerm's populace will begin to know him in the school lecture civics ("Zivilisationslehre") to come. We equally ask Your Holiness for blessings for the imperative foundation of international Minorities Defense League to hunt down this huge heap of AustroGerm's criminals marshaled on the Schädling List for the proposition to persecute these animals, to drag them in front of the international courts

thus these elements can receive their deserted comeuppance. It shall not a single one escape the sward of justice again; not a single one shall delude from the noose of nemesis again. For, the progeny of Mr. Miscreant Adolf Eichman and the offspring of Mr. Loupe Garou Alois Brunner are at the run in very great number today.

Deliberate mistranslation of the Holy Bible and tampering the Scripture's pristine doctrines

Please let us provide just a few commonly understandable and readily verifiable testimonies, exemplifying few tampered Holy Bible verses and translations that Your Holiness and other saints in the Catholic Church of Christ might re-examine the work of the AustroGerm's perverse surreal propaganda machinery designed for mass-foooling of the AustroGerm's populace for Your Holiness' perusal.

First, the term mass-fooling is chosen on intention to reflect the convolute AustroGerm's artistic conmanship for Germanized version of demagogy distinct for the period of time from the coronation of Mr. Popinjay Kaiser Wilhelm II -the ignominious Haji Wilhelm II- on June 15, 1888, whence the AustroGerm's regimes and populace started the dissemination of AustroGerMitis Bacillus at international stage. This period is distinguished with some devastating outbreaks like Namibia genocide, assisting and supporting AustroGerMitis infested protégés in Turkey military, then staged the Turkey military coup d etat, First World War, plunging the Turkey government in an illegal war, three Christian genocides, and as shortly indicated v.s. eventually the disintegration and destruction of a great country. The vicious AustroGerm's genetically grown manipulativeness en mass raised to the more intricate mass-foooling practices inside and outside AustroGerm's territory from November 1918 to May 1945, with noticeably more refined fabrications, more artistic telegenic stunts, Second World War, four further genocides, Positive Christianity, and many more worst AustroGerm's ignominies. The third stage of AustroGerMania characteristic infestations has taken place since May 1945 to the present day, exhibiting a more byzantine refinement in mass-foooling ("Massenverdoooofung") inside of stench-filled AustroGerm's Hole in Europe and abroad around the whole globe alike. This third elevation exhibits number of peculiarities on its own, like the Germanized Humpty Dumpty versions for perverted Kultur, Sitte (ethics), Mentalität, Demokratie, Justiz, Zivlisation, Rassissmus, Nazism, "Sklaverei" (slavery), Organische Christen (regimented Christians), adoration of Christian churches with Germanic paganism, pig and piggish-occult Nazi grails and other abominable symbols, mass-bewitching in political alliances, mass beguiling of Allies in military alliance of NATO, mass-hypnotization in economic alliances e.g. in G7 and G20, mass-mesmerizing in financial systems, etc. both inside and outside of present day AustroGerm's territory as shortly indicated above.

The AustroGerms progress in AustroGerMania has always hallmarked progress in tail spinning into the deeper milieu of the AustroGerm's Hole in Europe and afflicted the Western Civilization as whole in variety of ways. The lingering stench of AustroGerms have disseminated also anti-Christian doctrines and tampered the translations of the Holy Bible today. It should not surprise Your Holiness if the bogus Aryans had been touting of their revisionistic "Krist the Aryan", because these creatures rejected the proposal of the Catholic Student group to name the forecourt of the Erlangen university's refectory to Siblings Scholl Plaza in mid 1980, while streets, plazas, buildings are named after passel of AustroGerm's critters and murderers everywhere to this day. The confluence of these prima facie tenets goes on for great number of others like Hanna Arendt, Dietrich Bonhöffer, Carl von Ossietzky, Samuel von Puffendorf, Bertha von Suttner, etc. The third stage of AustroGerm's mass-foooling implies also redefined versions of the Holy Bible with highly subtle insidious infestations now.

Here, Your Holiness are presented with only three points of the presentation of AustroGerm's mass-foooling's x-ray patterns, which are dispositive to the available translations of the Holy Bible in the AustroGerm's territory. These three examples refer to blatantly mistranslated New Testament in Revelation chapter 13, verse 10; flagrant dissemination of perverted Christ's forgiveness and the subtle propagation of the anti-Christian doctrine, we refer to as Cuius regio, Eius religio that is still coursing around in the infested AustroGerm's tenets irrespective to its purpose and operation, as it had been originally facilitated in Augsburg Declaration of 1555.

1. New Testament verse in Revelation chapter 13, verse 10

In the all amenable present day German translated versions of the Holy Bible the above cited verse in the Book of Revelation are mistranslated in such egregious way that none of them represents the content of these simple verse aboveboard. The subtle vicious measures for AustroGerm's manipulativeness implies twisting and distortion of these simple verse in verb, pronouns and predicate that perturbs the mind and notion of the Holy Bible readers horribly. The deceptive measure has been subtly encumbered with adulterated doctrines and misrepresentation in layouts intentionally in addition. Holocaust Today presents to Your Holiness' review the German translated version according to Martin Luther, which can be presented in as-is in the today's German language without any necessity to update this verse. The equipollent verse in the English translation of Holy Bible is appended according to the King James Version on purpose, vide infra for elaboration. The King James Version might be updated according to the present day English language usage, however.

On the virtue of the today's off-key translated versions in such refined deceptive way, we posit the potential of purposely dissemination of today's available Greek Bible tinted also with falsified content to the hands of missionaries, ministries and pastors. In the context of this testimony, we respectfully request Your Holiness to re-examine the available Greek content in question with the responsible bishops in Germany and Austria involved and revert Your Holiness' findings to Holocaust Today publicly.

We might indicate that these verses are taken from the King James Version original translation intentionally version had been serving as the lodestar to many people who had put forth the groundwork of Western Civilization for milestones namely the foundation of the Modern Civilization, in particular to conservatism, republicanism, democracy. This version had been at the hand of Western Philosophers in the Age of Enlightenment ("Zeitalter der Erleuchtung") and also at the hands of the Founding Fathers of the United States, when the first great nation aat great territory adhered to the Modern Civilization. This is one of significant verses of the New Testament, which had guided the American, French and Polish Revolutionaries for formation of popular democracy, rule of law, one-nation formation, for instance. The same Holy Bible verse had spirited Western Philosophers of our Modern Civilization like Ralph Waldo Emerson, Henry David Thoreau, Harriet Beecher Stowe, anti-slavery anti-barbarism on the same foundation of Abraham's groundwork, conservatism and abolitionists. The same verse, then guided Abraham Lincoln against tyranny in the American Civil War, and many others who stood at the side of our father Abraham throughout ages to this day. I candidly recall to our Christian awareness that it was Abraham, who put the first ground stone of the Western Civilization reported in Genesis chapter 14 in nearly 3,700 years ago, when he combated and extirpated the tyrannical usurpathic Axis Powers by calling out on Allied Powers for intervention.

Abraham handed down the correct sentence by the exercise of veracity, Rule of Law, justice and nemesis. Great number of great women and men observed the same principals up to Thomas Jefferson, Abraham Lincoln, Woodrow Wilson, Franklin Roosevelt, Winston Churchill, Mahatma Gandhi, Martin Luther King Jr., Pope John Paul II, Lech Walesa, Roland Reagan in Reagan Doctrine, Nelson Mandela, just to name a few in recent history. Since millennia of years and through times and vicissitudes, in dedication to the Abraham's sublime propositions, the cultured nations and individuals from all times, nations, gender, races, and ethnicities have steadfast pursued Abraham's precept and contributed to build a more perfect union of individuals, tribes, nations and states in order they can constitute a more perfect civilization in peace and tranquility and warrant prosperity and hegemony to their nations. I recall, we are to preserve that precept and continue to facilitate a more perfect society for us and pass it down to our posterity, which is to grant the provisions for tranquility, liberty, justice, Rule of Law, security and the pursuit of happiness ("Anstreben zur Glückseligkeit").

At the other hand, there were also always recreants there, antagonistic to these virtues at all the times in various forms and motions. It has been always recreants, treason, and other tyrannical animals who were pursuing their lowlife by downright policies, asocial and amoral society with corrupted fraud infested economy and finances at the opposite side too. However, there have never been a moral equivalence to build a common denominator that could bear consensus to downright outlaws with upright lifestyle; likewise, there have been never a common ground where the Seven Virtues could stand with the Seven Inequities in concert. There will be never a cohabitation of eagle with the pig in a comity, disrespecting how artful, disingenuous or salacious the pig imposter itself as an eagle. We do not meet a point where the faiths were being concatenated with paganism. There will never be an attachment between the Germanic Hallow Earth and the spangled stars. There is no place for glad-handing between the tyrant and transcendent. Further, no communion of Christians with anti-Christians; no forgiveness without genuine repentance; no dispensation of Holy Spirit onto anti-Christians; no economic nor financial collaboration with traitors summarily referred to "Jacob the Iscariot"; there have been never any menacing euphemism in verbiage dispensed for postering the uttermost tyrannical pariah as an honorable person with dignity; there will never be a supportive doctrine within the Western Culture that may support the AustroGerm's moochery parasitic Trichinenkultur (trichinian culture) nor the AustroGerm's scrounger Bandwurmermentalität (flatworm-mentality) for taking unduly advantage of minorities, other nations, allies in military, economy, finances, or elsewhere; as much as these contravening two leagues is seen to us for profane, as much as were the political, economical, financial, military consensuses in the treaties, agreements, accords of the Western Civilization has been profane to enter to with the AustroGerms regimes since centuries.

The disastrous situation of multitudes of millions minorities shall serve as the proof of all the failed programs of the Western Civilization in dealing with ever-known uncivilisable AustroGerms. Your Holiness will be knowing of the legitimate enactments of Holocaust Today's international claims to impose the Total Isolation measures (i.e. no export, no import, no international transactions to or from AustroGerm's nations by locking down land, air, sea, air ports including underground pipelines for oil and gas as well overland power lines with freezing of all AustroGerm's assets, stock, accounts, transactions and restraining entities, etc.); likewise the similar acts in the national phase like combating the AustroGerm's war against the Western Civilization by imposing the USA PATRIOT Act, Magnitsky Act and others are justly vindicated to enforce by mean of all laws, principals and bipartisan consuetude. Amid the civil case prosecutions Your Holiness will be witnessing the military prosecution of the AustroGerms as well. The AustoGerms have skirted any and every single active combat involvement to safeguard,

maintain and promote the Western Civilization at any occasion post WW II, like Korean War, Vietnam War, up to this day to encounter global terrorism. To the blatant contrast, by the overt and clandestine operation of the AustroGerm's RealPolitik, cod named with the famed "My Enemy's Enemies", these AustroGerm's regimes and elements have always collaborated with the antagonistic regimes to the Western Civilization politically, economically, financially and militarily. They received funds from those regimes to pursue their Germanic perverse Alternative Civilization. The name of the Germ's far-right disguised Nazi-political party "Alternative for Germany" is not a mishap. The stench-infested provenance of the AustroGerm's regimes and elements is very deep rooted, both in their individual's mindset as well as in terms of centuries in time. The conclusion of the Roman Empire's expert regarding these AustroGerms as uncultivable and uncivilisable prevails cogently extant to this day.

I also indicate to these points on the sole and express purpose, to held a close review on our father Abraham as he put the first ground stone of the Western Civilization in the Old Covenant that is in full face provided in the New Covenant about the prevailing the justice by exercise of nemesis. As soon as Archangel Michael informed Abraham of the act of Axis Power, Abraham had set the counteraction swiftly and decisively. He was not timid, nor trepid; he did not hesitate nor ceded on to for negotiation or any appeasement with the tyrants; he did not approach towards a policy of detente, nor was he poised to come to terms with them. He faced the tyranny with courage and realism. His alliance with the uprights and his intervention for manumission of the defenseless had led to victory because justice and nemesis is the everlasting perpetual will of our God unto anyone and everyone who commits crime against humanity, culture and civilization. In reaffirmation to this self-evident truth Melchizedek, Abraham's God blessed in HIS capacity as the Almighty God's High Priest the God Almighty the Father. HIS paramount blessing demonstrates to me the uttermost significant message I know of in the Old and New Covenant. Melchizedek's blessings to God Almighty and to Abraham signifies the paramount will of our God for the institution of sublime principal, which we refer to in today's usage as inalienable rights. Father Abraham's intervention to defend the defenseless against sanguineous tyrant, to free the captives and to reinstate their families, assets, merits, and wealth, while handing down the deserted comeuppance to the tyrants had hallmarked the Western Culture and grounded the Western Civilization from ca. 3,700 years ago to the presence.

If we look at the all events, the recreants could have always combated best by justice, Rule of Law, nemesis, democracy, more often than not by intervention, and more significantly by veracity. With courage and realism the civil society could smash the vices' lies, ruses, myths, hoaxes, and smash the edifice of their tyrannical Realpolitik. By veracity, justice and nemesis we can extirpate the genre of mass-despoliation, mass-deprivation, mass-disenfranchisement, mass-disaffection, mass-suppression, mass-exploitation, and mass-captivity. The justice of our God today, is the same one ever that has been executed by Archangel Michael, because there is no power, nor any might of tyrannical regimes that can fuss around with our God unless we reduce us to the milieu of the tyrant and collaborate with them by one or another way. Please let me recall to our conscience to the virtues, we were bequeathed with and also to our obligations to uphold these principals as well to carry out our duty to set forth the progress to our portion for a more perfect civilization, to which we are indebted for.

Like in any other time, we can only face the downright lifestyle of these AustroGerm's animals, these mega-deceitful criminals, lying propaganda machinery and outlaws in their politics, justice apparatus, henchmen in law enforcement with the same measure for veracity, justice, nemesis, intervention only.

2. The Germanized mendacious version of “forgiveness”

Although the German language proffers two distinct synonyms to each of the two distinct provisions of the New Testament (aphiemi and apoluo), likewise in pursuant to the Old Testament foretelling conditions for (salah and nasa), both these two different stipulations have been deliberately misrepresented with one term, i.e. forgiveness (“Vergebung”). The upshot of this mistranslation is that the present day AustroGerm’s scoundrels at large are willfully committing crimes and frauds premeditatedly and repeatedly. This mistranslation bigot claimants for recidivism at innumerable individuals, because they perceive themselves to be entitled to get away with their crimes time and times again, and also assumptive to their wanton entitlement, they are to be received with forgiveness and get away with their homicide, crimes, and fraud again. Due the vast failures and great omissions of the Allied Powers for four times just in the recent history at the age of AustroGerm’s grand-fathers and grand-grandfathers, the present generation of AustroGerm’s populace does not recognize guilt, shame, nor receipt of comeuppance at all. In actuality, this mistranslation has begot more egregious life beings in the AustroGerm’s populace.

This AustroGerm’s daredevil notion (“nationale Gesinnung”) is now yet more compounded with the AustroGerm’s AustroGerMania driving disdain to all other nations and ethnicities, in particular if they commit crimes to the minorities in the present day AustroGerm’s territory. The upshot of this non-Christian doctrine with its misperception of the forgiveness has produced more unleashed AustroGerm’s human beings. This misrepresentation compounded by the AustroGerm’s genetically disposed audacity, has even put the reckless AustroGerms to more pestiferous notion, that the victim is obliged to forgive the criminals regardless the kind of crime, regardless its point of origin (i.e. regular crime or psychopathic crime), irrespective to the number of crimes committed, even to the recidivism. The mega-audacious AustroGerm’s animals put their AustroGerMania propensity for entitlement even some notch higher and have geared up to induce Stockholm’s Syndrome into their victims. The Stockholm Syndrome is the level, wherein the victims are to such degree manipulated that they grow feeling compassion and evolve understanding to their criminals. This last version is ongoing today in the tyrannical AustroGerm’s daredevils under the operation of their mass psychology policies since seven decades. This is also one of many reasons the term mass-foooling is conveying to describe the x-ray pattern of the AustroGerm’s creatures at large today.

The AustroGerm’s salacious propaganda machinery of Dr. Josef Gobbels’ progeny is raving at high speed today. This is the today’s practice of the Ciepies (die Billlligen) of the train stations and downtowns in every city and village. Again, in the AustroGerm’s dastardly regimes and the lowlife nations, nothing is in place haphazardly; nothing is a one off at all. There is a interdict mesh, a subtle mega-profile web of concatenation, meticulously wrought out in many pieces, all integer parts of AustroGerm’s mischievous lifestyle; all intertwined in the overall making of these sort of biological life beings today. This bastards’ web implies, how to subjugate; take captive multitudes of millions of people, and how to manipulate other nations to their parasitic advantages, in both sides, the minorities inside the AustroGerm’s present territory, like abroad and to the Western Allies, where the AustroGerm’s animals instilled the mesmerizing phrase of “Victor’s Justice”, “Nazi area Germany”, and “Austria were occupied by Nazis”, and others, like my father had been first mesmerized then exasperated by the Germ’s Chancellor Mr. Popinjay Willi Brandt’s showoff when he sold in himself for more.

For each of the Biblical terms indicated above, have been always salient prevalent terms in German language. The terms aphiemi in Old Greek, and salah in Hebrew has been readily

translatable as Christ's amnesty ("Christliche Begnadigung") or the amnesty of Messiah to come in Jewish understanding. As the term amnesty implies, it is about one and only one time amnesty granted by God against the sin of man as Jesus Christ is crucified only one time for the sin of man forever; God Almighty performed only one korban.

For each of other terms, *apoloio* in Old Greek and *nasa* in Hebrew indicating to pardon or accepting the apology of a brethren for figuratively 70 by 70 times. There has been also a simple prevalent synonym in German language for accepting the apology of a brethren ("Verzeihung, or Annahme einer Entschuldigung").

These two distinct terms and the purview of its operation has been deliberately mingled together and fiddled under one term "forgiveness" or "pardon", ("Vergebung"). No wonder that the mind of AustroGerm's populace is flustered with the concocted forgiveness ascribed to these two entirely different provisions.

Please let me recall, we pardon a criminal or a prisoner if he/she repents the wrongdoing action only. The pardon in our Western Civilization does never imply to unleash a criminal, felon nor any wrongdoer in order he/she shall get a way out to exercise his/her crimes by one or the other way again, nor the pardon is a way out to get away with it viciously without sincere repentance. The instrument of pardon deems solely to give a second chance on the sole and express basis of repentance. This sublime distinction has been disrespected by Allied Powers and EU in four times just in the contemporary history towards the AustroGerm's animals at large.

These just two examples, compounded by number of other sort mutated false terms and doctrines have been indoctrinated to the AustroGerm's populace to such degree that it beggars description too. Holocaust Today testifies to Your Holiness today that many doctrines of the AustroGerm's transmogrified Positive Christianity are on the observation in the AustroGerm's Christian churches unremittingly. This, even to the degree today, that disgusting symbols of AustroGerm's Germanic Romanticism and Germanic Paganism is uphold within the churches under the guise of Germanic Ethnicity and Germanic History. This is as much as reprehensible as though a Christian church, Jewish Temple or Islamic Mosque would be harboring symbols of pig that symbolizes figuratively the Seven Iniquities. The latter however, is not dissimilar to the AustroGerm's paganism at all. The reverence of the pig is persuasively intertwined with the Germanic fixity throughout all the ages and all the Germanic realms in language, Kultur, Literature, Politik, Wirtschaft (economy), Finanzen, etc. In veracity, many aspects of the AustroGerm's Kultur and Zivilisation uphold the Seven Iniquities at high esteem in every level of society, politics, justice organs, economy, finances, etc., where ever Your Holiness x-ray these biological human beings. Even, people and individuals who have grown liken to the physical appearance of a pig enjoy greater popularity in the AustroGerm's populace like in the politics, economy, art and other areas.

3. AustroGerm's Humpty Dumptysm in pervading the Cuius regio, Eius religio doctrine of 1555 today

As we know, the rise of Protestantism in Europe had led to number of wars where Catholic and Protestant Christians carried out wars against each other which were mostly about the payments to the churches, though portrayed under the guise of faith. With the Augsburg Declaration of 1555 an anti-Christian peace were agreed upon under delimitations in the ambit of Catholic and Protestant populations. With regards to the terms of agreement a separation of

feuding principalities ensued, wherein the Catholic feudals imposed the denomination of the reigning government into their governed population and vice versa the Lutheran, leading to mass migration of different believers to each other realm, whence the Latin mantra for religion of the governing body was to determine the faith of the governed in contrast to the Christianity and civil lifestyle, however.

In the present age of misinformation and mass manipulation of the AustroGerm's propaganda machinery, wherein multitudes of millions AustroGerm's are engulfed with, this anti-Christian policy is still on operation in a most vicious Humpty Dumptysm exercise again. Under the cloak of Christianity, great number of anti-Christians AustroGerms are purveying their racial and discrimination policies against the minorities of different religion in an abhorrent manner, ravaging at the dignity, freedom, culture and mentality of others again. Under the guise of Christian nation, the AustroGerm's barbarism runs their two-nation tenet for divide et impera policies in political, social and economical reign with vast exploitation at mass of population today. Even the virtue of this example evinces the fact that these AustroGerms are still not cultivable; for, the AustroGerms are not civilizable to this day.

We invite Your Holiness respectfully, likewise all other denominations' pastors to elucidate the Christian believers about this abhorrent anti-Christian doctrines and to foil the afflictions from the dissemination of AustroGerMitis Bacillus in this perspective.

Please let us extend our invitation to Your Holiness for a trip to United States, where Your Holiness can meet our culture, society and civilization. We best invite Your Holiness to visit United States as a civil unrecognizable person, best with a different identity on paper, best different nationality and passport, thus Your Holiness can gather unbiased first-hand impression of our culture and society. We invite Your Holiness to pay meticulous attention from the minute Your Holiness may arrive at Washington D.C.'s Dulles Airport, then, when Your Holiness visit the Mall, Abraham Lincoln, Thomas Jefferson memorials, Congress and Congress members, departments from within, military bases, scientific and technical centers, churches, and many other places of common people's gatherings all seen amid the people, thus Your Holiness can see what is our making from within the society. Please Your Holiness may visit the Holocaust Museum in its exhibits and size, thus Your Holiness may imagine the exhibits and size of the Holocaust Today's Museum to come.

We candidly like to invite Your Holiness to visit the state and federal penitentiary facilitates and visit the convicted criminal and felons, the violations they have committed and the sentence they were received and also the sociopathic and psychopathic convicted individuals to see what it takes for cultured nations to observe the rule of law, thus Your Holiness might tangibly see, how the cultured nations' judiciary system operate. By doing so, Your Holiness might compare the sentences, Holocaust Today put on the indictments to these AustroGerm's Schädling List.

In all these places Your Holiness readily can read the Biblical core line of our Founding Fathers and others, whoever since has contributed to a more perfect civilization to the democracy, pursuit of happiness and liberty, to which our God Jesus Christ has paid a dear price for. It is readily recognizable, what has been accomplished from our end to safeguard, to maintain and to promote the Western Civilization that has been first founded by our father Abraham.

We equally invite Your Holiness to visit the Arlington Cemetery, one of many cemeteries in United States, and bless the souls of those prowess men and women who paid the ultimate sacrifice to the Western Civilization as well all the veterans and also all the service men and women in active

military duty with Your Holiness prayers. We invite Your Holiness candidly to spent reflective thoughts in Arlington Cemetery that Your Holiness might recognize what is also to execute upon the AustroGerm's traitors, when the poltroon Wehrmacht chickens extricated themselves by the hyperbolic pretext of being peaceful meanwhile, ergo they no longer participate in active combat. Here, Your Holiness might meet the unequivocal points of indictments in the section for the Epitome of the Pride Pig prancing around in the arena of military and defense alliance and then, under the purview of AustroGerm's Special Treatment, how the Poltroon Pig-Meanly Pig will be mustered to quite their military debts for the security of the Western Civilization in the crisis regions under the command of NATO commanders in not distant future.

We equally invite Your Holiness to visit our penitentiary facilities for having praying and consultations with the convicted people e.g. for mini-criminals like larceny to mega-criminals out of every strata, serving their term, thus Your Holiness can gain palpable impression, how the rule of law operates, thus Your Holiness might not be surprised by the execution of justice and nemesis upon the AustroGerm's giga-criminals and the exigency for the Special Treatment, leading to the Perpetual Solution for AustroGerm's regimes, elements.

To the last but not least, we candidly invite Your Holiness too, to provide alternative appellations to these AustroGerm's cheapjacks as Your Holiness have met some in our open letter, with the proviso to veracity, authentically and cogent description of the AustroGerm's indigenous nature. We are well aware that Your Holiness is also challenged to describe these sort of human beings. However, we find it imperative to respect our commendation to rectitude and civility in conveying the witness and testimony in veracity, thus Your Holiness recommended alternative monikers will be respected at high esteem.

We will gratefully appreciate Your Holiness' Papal Encyclical and active supports to the cause of minorities and equally welcome Your Holiness' endorsement to Holocaust Today organization for the cause of multitudes of millions of people. Please convey our greetings to the saints and cardinals and other in Holy See. Please keep the minorities in AustroGerm's territory in Your Holiness prayers. The grace, faith, wisdom and love of Jesus Christ upon Your Holiness and the saints in Holy See.
